Dear Representative Shaw, my name is Max Harvey and I am writing in support of House Bill 22.

I am a firefighter with the Anchorage Fire Department and this is a very important issue to my family, my co-workers, and myself. Over the years I continue to see AFD lose valuable employees who leave in search of a pension. I also have witnessed our department struggle with recruitment due to the lack of a pension as well.

I ask that you please show support of public safety by taking action on House Bill 22.

Thank you for your time,

Max Harvey
