---

Dear Legislators and Legislative Staff:

Representative Sam Kito, Chair of Legislative Council, has sanctioned the below charitable event:

26th Annual Coal Classic Golf Tournament – Wednesday, June 13, 2018 – Moose Run Golf Course, Anchorage

Please see the attached information on the event and Representative Kito's approval. Legislative Council at their February 3, 2005 meeting, granted the Chair of Legislative Council the ability to sanction charitable events under AS 24.60.080(a)(2)(B). The Chair would at the next scheduled Legislative Council meeting have the Council ratify the Chair's approval of the event(s). It will also be posted on the Intranet under Legislative Council Sanctioned Charitable Events link.

Per AS 24.60.080(a)(2)(B) it allows lobbyists to give tickets to a charitable event to Legislators and legislative staff. The charity must be a 501(c)(3) corporation and the Legislative Council must give approval in advance of the gift giving. The value of the ticket counts against the annual limit on lobbyists ($250).

Tickets from persons who are not lobbyists may exceed the $250 gift limit. A disclosure of the value of the ticket is required within 60 days as well as gifts received at the particular charity event that have a value of $250 or more.

Best regards,

Jessica

Re: Sanctioning of charity event – 25th Annual Coal Classic Golf Tournament

Dear Representative Kito;

On June 13, 2018 we will be hosting our 26th Annual Coal Classic Golf Tournament. This will again be held at Moose Run Golf Course from 7 am until 1 pm and will include about 36 teams for a half-day shotgun event followed by lunch. I am writing to request the Legislative Council consider sanctioning our event again this year under state statue AS 24.60.080(a)(2)(B). This tournament has a long history of supporters as noted by last year's enclosed sponsorship sheet.

Alaska Resource Education is a state-wide 501(c)3 organization dedicated to educating our youth about Alaska's natural resources. We offer Alaska Resource curriculum and kits to teachers filled with materials focusing on minerals, energy and forestry. We also provide a 500-level credit course through the University of Alaska to teach educators on the use of our kit materials and curriculum. You can often find us in the classrooms teaching kids of all ages about the importance natural resources play in our state's economy, workforce and future.

I hope you will visit us at www.akresource.org to learn more about our events and our organization. If you have any questions, please do not hesitate to contact me at the numbers listed above.

Warm regards,

Ella Ede
Executive Director

Dear Applicant:

Based on the information you recently submitted, we have classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Internal Revenue Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in 501(c)(3) is still in effect.

This classification is based on the assumption that your operations will continue as you have stated. If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status.

This supersedes our letter dated April 20, 1990.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as an organization defined in section 509(a)(1) of the Code.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Michael J. Quinn
