Subject: Support HB 136
Date: Monday, March 24, 2025 2:20:37 PM

Hi Chuck, I encourage you to support our bill 136 maintaining the property owners ability to use and enjoy their property That is encroached on by the railroad track lot right away. This would all be for non-interfering uses and not Interfere with the railroads right to modify improve their rail lines. Thank you.
