Dear Mr. Locke,
Thank you for your support of HB 93 dealing with how the Alaska Railroad is treating adjacent landowners along the right-of-way. I have copied the House Resources committee members with your note of support.
Very best,
Chuck

Alaska Representative Chuck Kopp

Members of the House Resources Committee

Dear Representative Kopp and Members of the House Resources Committee;

I would like to let you and the House Resources Committee know that I support passage of HB93. I think this is a very good action and would have a positive effect on the neighbors of the Alaska Railroad, and very little, if any, negative effect on the Alaska Railroad. Please forward a copy of this email to the Members of the House Resources Committee. Thank you.

Sincerely,

Carlton J. Locke
