Date:	Monday, March 31, 2025 3:15:20 PM

Please do not allow a hearing on HB 136.
Rep. Chuck Kopp is trying to stop the Fish Creek Trail Extension. Our trails and parks make our city great. Please support the extension of Fish Creek by not allowing a hearing on HB 136.

Thank you,
Anchorage Resident

Thank you so much for your input regarding HB136, which will be heard in the House Transportation Committee tomorrow, 4/1/25 at 1PM.

In order to have your letter included in the Public Record for the Committee to consider, would you please resubmit it to the House Transportation Committee email address here: House.Transportation@akleg.gov

Best,

Michael Bucy

Office of Representative Ted Eischeid
