Hello Representative Vance and staff,

Hi Sarah. I attached a letter which Kenai Peninsula Votes (KPV) mailed to you a couple of weeks ago. As you know, KPV is in favor of RCV and Open Primaries. Our letter was signed by 200 Alaskan voters who support these ideas. Our letter in support of RCV and OP, is to let legislators know that there are many Alaskans that like this system for electing representatives. We also feel that at this time, if the legislators want to repeal it, the better way to go would be to have it on the November 2024 ballot. We need to work on more things we can agree on and there is alot. If you have any questions or comments, we would be glad to hear from you.

Thank you for all you do.

Sincerely,

Alex Koplin
