Subject: Support HB 4

Good morning Representatives,

I am unable to make today's 3p telephonic public comment period regarding HB 4, as such I'm left with passing on my feedback via email - thank you for taking the time to read this.

I support the repeal of Rank Choice Voting and jungle primaries, and a return to closed primaries, one-person-one-vote and individual special run-off elections as needed. I wish to say substantially more on the matter but I have to keep this short.

Thank you,
Megan Bauman
