Laddie
I am unable to call in Tuesday for comment. Please share my comments below with the committee or whomever is receiving comment. Get rid of Ranked Choice voting !! It's a sham and was sold as a solution but it's a PROBLEM. (See Below)

Thanks

Thanks for the note about the public comment tomorrow. Do we have the option to submit a comment via email ?

- I am for repealing the ranked choice voting. It is a train wreck and was picked through by those which will benefit.
- I want my one vote to be for one person. Simple. Been that way for years
- it is a confusing process and voting should be SIMPLE and SECURE.
