Subject: Release HB4

The Honorable Laddie Shaw,

Release HB 4 from State Affairs so that it may be considered by the House. Alaska's electorate was duped by Ranked Choice Voting hidden as voting against dark money during the last regular election. I heard so many voters say after the real effect became apparent, "I had no idea." Listen to the will of the people. Knowing who, when and how to contact our legislators is a mystery to most. Listen to the people. Use reason and willingness to listen to the electorate as this season draws to a close and release this bill for consideration.

Respectfully submitted,

Cherie Kajdan
