BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 15.20 is amended by adding a new section to read:

Sec. 15.20.066. VOTING BY ELECTRONIC TRANSMISSION. (a) The director shall adopt regulations applicable to the delivery of absentee ballots by electronic transmission in a state election and to the use of electronic transmission absentee voting in a state election by qualified voters. The regulations must

(1) require the voter to comply with the same time deadlines as for voting in person on or before the closing hour of the polls;

(2) ensure the accuracy and, to the greatest degree possible, the integrity and secrecy of the ballot process.
(b) An absentee ballot that is completed and returned by the voter by electronic transmission must

(1) contain the following statement: "I understand that by using electronic transmission to return my marked ballot, I am voluntarily waiving a portion of my right to a secret ballot to the extent necessary to process my ballot, but expect that my vote will be held as confidential as possible.", followed by the voter’s signature and date of signature; and

(2) be accompanied by a statement executed under oath as to the voter’s identity; the statement under oath must be witnessed by

(A) a commissioned or noncommissioned officer of the armed forces of the United States;

(B) an official authorized by federal law or the law of the state in which the absentee ballot is cast to administer an oath; or

(C) two United States citizens who are 18 years of age or older.

* Sec. 2. AS 15.20.081(a) is amended to read:

The application must include the address or, if the application requests delivery of an absentee ballot by electronic transmission, the telephone electronic transmission number, to which the absentee ballot is to be returned, the applicant’s full Alaska residence address, and the applicant’s signature. However, a person residing outside the United States and applying to vote absentee in federal elections in accordance with AS 15.05.011 need not include an Alaska residence address in the application.

* Sec. 3. AS 15.20.081(b) is amended to read:

(b) An application requesting delivery of an absentee ballot to the applicant by mail must be received by the division of elections not less than seven days before the election for which the absentee ballot is sought. An application for an absentee ballot for a state election from a qualified voter requesting delivery of an absentee ballot to the applicant by electronic transmission must be received by the division of elections not less than four days before the election for which the absentee ballot is sought. An absentee
ballot application **submitted by mail under this section** must permit the person to register to vote under AS 15.07.070 and to request an absentee ballot for each state election held within that calendar year for which the voter is eligible to vote. **An absentee ballot application submitted by electronic transmission under this section may not include a provision that permits a person to register to vote under AS 15.07.070.**

* Sec. 4. AS 15.20.081(c) is amended to read:

  (c) After receipt of an application [BY MAIL], the director shall send the absentee ballot and other absentee voting material to the applicant by the most expeditious mail service. **However, if the application requests that an absentee ballot for a state election be sent by electronic transmission, the director shall send the absentee ballot and other absentee voting material to the applicant by electronic transmission.** The absentee ballot and other absentee voting material shall be sent as soon as they are ready for distribution. **If the absentee ballot and other absentee voting material are mailed to the applicant, the** return envelope sent with the **ballot and other** materials shall be addressed to the election supervisor in the district in which the voter is a resident.

* Sec. 5. AS 15.20.081(e) is amended to read:

Except as provided in (h) of this section, a voter who returns the absentee ballot **by mail, whether provided to the voter by mail or by electronic transmission**, shall use a mail service at least equal to first class and mail the ballot not later than the day of the election to the election supervisor for the election district in which the voter seeks to vote. Except as provided in AS 15.20.480, the ballot may not be counted unless it is received by the close of business on the 10th day after the election. If the ballot is postmarked, it must be postmarked on or before election day. After the day of the election, **NO** ballots **may not** [SHALL] be accepted unless received by mail.
