Subject: HB4 Repeal of Rank Choice Voting

Good morning, Mr. Shaw,

I am a voting resident of Palmer, AK.
I would like to make my thoughts known regarding HB4 and it's proposed repeal of Rank Choice Voting.

I am very much in favor of this bill and believe that it deserves to make it out of committee and on to a vote by the House.

Ranked Choice Voting has un-necessarily complicated our voting process while fundamentally changing the dynamics of how our individual votes impact the outcome. It has created a system wherein the winner is now much more a function of how different factions game the system instead of reflecting the simple will of the voters.

Thank-you,
Craig Hanson
