Good morning:
I support HB 4 and urge you to do the same! Rank Choice voting and the open primary did nothing to help Alaska. Among many issues, we had significantly decreased voter turn-out which was the opposite of what proponents of RCV declared would happen. It was confusing to many. Also, so much dark money rolled into Alaska supporting this new system, which was also the direct opposite of what proponents declared would happen. PLEASE SUPPORT HB4, on behalf of every single Alaskan!
Respectfully,
Patty Wisel
