Subject: HB4

Dear Representative Shaw

I am long time republican, and I voted for you in the last election. I am writing today to urge you to vote YES on the repeal of open primaries and the awful and confusing rank choice voting system.

I understand there will be a hearing tomorrow on the matter, but I am not available to testify. If there is a way you can let the members of that hearing know to please PASS HB4.

THANK YOU!
Dori Ditmore
Longtime Alaskan :)
