Hello Brother,

I am appealing to you as a Special Operations Brother. You and I stood for our nation's Constitution and ducked bullets for it. We lost friends and came home with scars defending it.

One of the ideas we stood for was the American way of choosing our leaders.

I am asking you to let HB 4 out of committee. Our state is going in the wrong direction. You know it. I know it. The voters know it.

Sincerest Regards,
Bruce Walden
