Subject:	We support HB 4 which repeals RCV
Date:	Sunday, April 30, 2023 1:15:21 PM

We want to go back to the regular voting system. Because of the favoritism of RCV our prolife candidates lost even though they had the vote numbers to win.
The dishonest judge should have blocked RCV as it favors the second or third place candidate as the winner.. With RCV there is no primary which eliminates multiple candidates.
Additionally, there is no opportunity to challenge the results of the election with no backup paper ballots to recount.
