IN THE LEGISLATURE OF THE STATE OF ALASKA

NINTH LEGISLATURE - SECOND SESSION

A BILL

For an Act entitled: "An Act relating to parking and parking facilities."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 35 is amended by adding a new chapter to read:

CHAPTER 23. UNAUTHORIZED VEHICLES ON STATE PROPERTY.

Sec. 35.23.010. AUTHORIZATION FOR THE USE OF PARKING SPACES IN STATE PARKING AREAS REQUIRED. Without authorization from the Department of Administration, no person may park or leave standing a vehicle in a state-owned or state-managed parking area, except in parking spaces reserved for the use of the general public and posted as reserved for that use.

Sec. 35.23.020. UNAUTHORIZED VEHICLES MAY BE TICKETED OR IMPOUNDED. The manager of the state-owned or state-managed property or a person designated for this purpose by the Department of Administration may request that state or municipal police come onto that property for the purpose of ticketing or impounding a vehicle parked or left standing without proper authorization. Release of the vehicle to its owner may be accomplished under appropriate municipal or state procedures which may provide that the costs of ticketing or impoundment be paid before the vehicle is returned to its owner.

* Sec. 2. AS 29.33.090 is amended by adding a new subsection to read:

(c) If offstreet parking is required by a zoning regulation or provided in connection with a structure, a number of parking spaces related to the traffic generated by the structure shall be required by the zoning regulation to be for the use of the general public without payment

of fees. If the applicable zoning regulation does not specify the percentage of parking for public use, at least one-fifth of the parking required or provided shall be for public use. This section does not apply to structures whose primary use is for parking facilities. No waiver of the requirements of this subsection may be granted under AS 35.10.020 for public works of this state.
