A BILL

FOR AN ACT ENTITLED

"An Act relating to advance directives for mental health treatment."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 47.30 is amended by adding new sections to read:

   ARTICLE 11. PERSONAL DECLARATION OF PREFERENCES FOR MENTAL HEALTH TREATMENT.

   Sec. 47.30.950. DECLARATION. (a) An adult of sound mind may make a declaration of preferences or instructions regarding mental health treatment. The preferences or instructions may include consent to or refusal of mental health treatment.

   (b) A declaration for mental health treatment continues in effect for three years or until revoked, whichever is sooner. The authority of a named attorney-in-fact and an alternative attorney-in-fact named in the declaration continues in effect as long as the declaration appointing the attorney-in-fact is in effect or until the attorney-in-fact has withdrawn. If a declaration for mental health treatment has been invoked and is in effect at the expiration of three years after its execution, the declaration remains
Sec. 47.30.952. DESIGNATION OF ATTORNEY-IN-FACT. (a) A declaration may designate a competent adult to act as attorney-in-fact to make decisions about mental health treatment. An alternative attorney-in-fact may also be designated to act as attorney-in-fact if the original designee is unable or unwilling to act at any time. An attorney-in-fact who has accepted the appointment in writing may make decisions about mental health treatment on behalf of the principal only when the principal is incapable. The decisions must be consistent with desires the principal has expressed in the declaration.

(b) The following may not serve as attorney-in-fact:

   (1) the attending physician or mental health service provider, or an employee of the physician or provider, if the physician, provider, or employee is unrelated to the principal by blood, marriage, or adoption;

   (2) an owner, operator, or employee of a health care facility in which the principal is a patient or resident if the owner, operator, or employee is unrelated to the principal by blood, marriage, or adoption.

(c) An attorney-in-fact may withdraw by giving notice to the principal. If a principal is incapable, the attorney-in-fact may withdraw by giving notice to the attending physician or provider. The attending physician or provider shall note the withdrawal as part of the principal’s medical record. A person who has withdrawn under the provisions of this subsection may rescind the withdrawal by executing an acceptance after the date of the withdrawal. The acceptance must be in the same form as provided by AS 47.30.970 for accepting an appointment. A person who rescinds a withdrawal shall give notice to the principal if the principal is capable or to the principal’s health care provider if the principal is incapable.

(d) The designation of an attorney-in-fact under this section supersedes a previous or subsequent designation of an attorney-in-fact regarding mental health treatment unless otherwise specifically provided in the declaration executed under AS 47.30.950 - 47.30.980 or in the document that designates the other attorney-in-fact.

Sec. 47.30.954. SIGNATURE; WITNESSES. (a) A declaration is effective only if it is signed by the principal and two competent adult witnesses. The witnesses
must attest that the principal is personally known to them, signed the declaration in their presence, appears to be of sound mind, and is not under duress, fraud, or undue influence.

(b) The following may not serve as a witness to the signing of a declaration:

1. the attending physician or mental health service provider or a relative of the physician or provider;
2. an owner, operator, or relative of an owner or operator of a health care facility in which the principal is a patient or resident; or
3. a person related to the principal by blood, marriage, or adoption.

Sec. 47.30.956. OPERATION OF DECLARATION. (a) A declaration becomes operative when it is delivered to the principal’s physician or other mental health treatment provider and remains valid until revoked or expired. The physician or provider shall act in accordance with an operative declaration when the principal has been found to be incapable. The physician or provider shall continue to obtain the principal’s informed consent to all mental health treatment decisions if the principal is capable of providing informed consent or refusal.

(b) Upon being presented with a declaration, a physician or other provider shall make the declaration a part of the principal’s medical record. When acting under authority of a declaration, a physician or provider shall comply with it to the fullest extent possible, consistent with reasonable medical practice, the availability of treatments requested, and applicable law. If the physician or other provider is unwilling at any time to comply with the declaration, the physician or provider may withdraw from providing treatment consistent with the exercise of independent medical judgment and shall promptly notify the principal and the attorney-in-fact and document the notification in the principal’s medical record.

Sec. 47.30.958. POWERS OF ATTORNEY-IN-FACT. (a) The attorney-in-fact does not have authority to make mental health treatment decisions unless the principal is incapable.

(b) The attorney-in-fact is not, as a result of acting in that capacity, personally liable for the cost of treatment provided to the principal.

(c) Except to the extent the right is limited by the declaration or any federal
law, an attorney-in-fact has the same right as the principal to receive information
regarding the proposed mental health treatment and to receive, review, and consent to
disclosure of medical records relating to that treatment. This right of access does not
waive any evidentiary privilege.

(d) In exercising authority under the declaration, the attorney-in-fact has a duty
to act consistently with the desires of the principal as expressed in the declaration. If
the principal’s desires are not expressed in the declaration and not otherwise known
by the attorney-in-fact, the attorney-in-fact has a duty to act in what the
attorney-in-fact in good faith believes to be the best interests of the principal.

(e) An attorney-in-fact is not subject to criminal prosecution, civil liability, or
professional disciplinary action for an action taken in good faith under a declaration
for mental health treatment.

Sec. 47.30.960. LIMITATIONS. A person may not be required to execute or
to refrain from executing a declaration as a criterion for insurance, as a condition for
receiving mental or physical health services, or as a condition of discharge from a
health care facility.

Sec. 47.30.962. ACTIONS CONTRARY TO DECLARATION. The physician
or provider may subject the principal to mental health treatment in a manner contrary
to the principal’s wishes as expressed in a declaration for mental health treatment only

(1) if the principal is committed to a treatment facility under this
chapter and treatment is authorized in compliance with AS 47.30.825-47.30.865; or

(2) in cases of emergency endangering life or health.

Sec. 47.30.964. RELATION TO OTHER STATUTES. A declaration does not
limit any authority provided in this chapter either to take a person into custody or to
admit, retain, or treat a person in a health care facility.

Sec. 47.30.966. REVOCATION. A declaration may be revoked in whole or
in part at any time by the principal if the principal is not incapable. A revocation is
effective when a capable principal communicates the revocation to the attending
physician or other provider. The attending physician or other provider shall note the
revocation as part of the principal’s medical record.

Sec. 47.30.968. LIMITED IMMUNITY. A physician or provider who
administers or does not administer mental health treatment according to and in good faith reliance upon the validity of a declaration is not subject to criminal prosecution, civil liability, or professional disciplinary action resulting from a subsequent finding of a declaration’s invalidity.

Sec. 47.30.970. FORM OF DECLARATION. A declaration for mental health treatment shall be in substantially the following form:

NOTICE TO PERSON MAKING A DECLARATION FOR MENTAL HEALTH TREATMENT

This is an important legal document. It creates a declaration for mental health treatment. Before signing this document, you should know these important facts:

(1) This document allows you to make decisions in advance about three types of mental health treatment: psychotropic medication, electroconvulsive therapy, and short-term (up to 17 days) admission to a treatment facility. The instructions that you include in this declaration will be followed only if a court, two physicians that include a psychiatrist, or a physician and a professional mental health clinician believe that you are incapable of making treatment decisions. Otherwise, you will be considered capable to give or withhold consent for the treatments.

(2) You may also appoint a person as your attorney-in-fact to make these treatment decisions for you if you become incapable. The person you appoint
has a duty to act consistent with your desires as stated in this document or, if your desires are not stated or otherwise made known to the attorney-in-fact, to act in a manner consistent with what the person in good faith believes to be in your best interest. For the appointment to be effective, the person you appoint must accept the appointment in writing. The person also has the right to withdraw from acting as your attorney-in-fact at any time.

(3) This document will continue in effect for a period of three years unless you become incapable of participating in mental health treatment decisions. If this occurs, the directive will continue in effect until you are no longer incapable.

(4) You have the right to revoke this document in whole or in part at any time you have not been determined to be incapable. YOU MAY NOT REVOKE THIS DECLARATION WHEN YOU ARE CONSIDERED INCAPABLE BY A COURT, TWO PHYSICIANS THAT INCLUDE A PSYCHIATRIST, OR A PHYSICIAN AND A PROFESSIONAL MENTAL HEALTH CLINICIAN. A revocation is effective when it is communicated to your attending physician or other provider.

(5) If there is anything in this document that you do not understand, you should ask a lawyer to explain it to you. This declaration will not be valid unless it is signed by two qualified witnesses who are personally known to you and who are present when you sign or acknowledge your signature.

Sec. 47.30.972. PENALTY. It is a class A misdemeanor for a person without authorization of the principal to knowingly alter, forge, conceal, or destroy a declaration executed under AS 47.30.950 - 47.30.980, the reinstatement or revocation of a declaration executed under AS 47.30.950 - 47.30.980, or any other evidence or document reflecting the principal’s desires and interests with the intent or effect of affecting a mental health care decision. In this section, "knowingly" has the meaning given in AS 11.81.900(a).

Sec. 47.30.980. DEFINITIONS. In AS 47.30.950 - 47.30.980,

(1) "attending physician" means the licensed physician who has primary responsibility for the care and treatment of the declarant;

(2) "attorney-in-fact" means an adult properly appointed under
AS 47.30.950 - 47.30.980 to make mental health treatment decisions for a principal
under a declaration for mental health treatment and also means an alternative attorney-
in-fact;

(3) "facility" means a

(A) designated treatment facility, as defined in AS 47.30.915;

(B) nursing home; or

(C) assisted living home licensed under AS 47.33;

(4) "incapable" means that, in the opinion of the court in a guardianship
proceeding under AS 13.26, in the opinion of two physicians that include a
psychiatrist, or in the opinion of a physician and a professional mental health clinician,
a person’s ability to receive and evaluate information effectively or communicate
decisions is impaired to such an extent that the person currently lacks the capacity to
make mental health treatment decisions;

(5) "mental health treatment" means electroconvulsive treatment,
treatment with psychotropic medication, and admission to and retention in a facility
for a period not to exceed 17 days;

(6) "professional mental health clinician" means a person having at
least a master’s degree in psychology, social work, counseling, child guidance, or
nursing with specialization or experience in mental health; if employed by a mental
health physician clinic, a "professional mental health clinician" must also be licensed
to practice in the state in which service is being provided or be a clinical member in
good standing of the American Association for Marriage and Family Therapy, and be
working in the clinician’s field of expertise; in this paragraph, "mental health physician
clinic" means a clinic, operated by one or more psychiatrists, that exclusively or
primarily provides mental health services furnished by a psychiatrist or by one or more
licensed psychologists, licensed psychological associates, licensed clinical social
workers, licensed nurse practitioners, licensed psychiatric nursing clinical specialists,

  (1) have access to and disclose to others medical and related information and records;

  (2) consent or refuse to consent to medical care or relief for the principal from pain, but the agent may not authorize the termination of life-sustaining procedures;

  (3) take all steps necessary to enforce a properly executed declaration under AS 18.12;

  (4) take all steps necessary to enforce a properly executed declaration under AS 47.30.950 - 47.30.980 unless the principal has provided that an attorney-in-fact appointed under AS 47.30.950 - 47.30.980 shall have exclusive authority with regard to mental health treatment and the attorney-in-fact appointed under AS 47.30.950 - 47.30.980 has not withdrawn;

  (5) consent or refuse to consent to the principal’s psychiatric care, but the consent does not authorize a voluntary commitment or placement in a mental
health treatment facility, electroconvulsive [CONVULSIVE] or electric-shock therapy, psychosurgery, sterilization, or an abortion except that, if the principal has properly executed a declaration under AS 47.30.950 - 47.30.980, the agent may consent to voluntary commitment or placement in a mental health treatment facility and electroconvulsive or electric-shock therapy if that consent is consistent with the wishes expressed in the declaration under AS 47.30.950 - 47.30.980 and if the principal has not designated another attorney-in-fact to have exclusive authority to make decisions regarding mental health treatment:

* Sec. 4. AS 47.30.825(b) is amended to read:

(b) The patient and the following persons, at the request of the patient, are entitled to participate in formulating the patient’s individualized treatment plan and to participate in the evaluation process as much as possible, at minimum to the extent of requesting specific forms of therapy, inquiring why specific therapies are or are not included in the treatment program, and being informed as to the patient’s present medical and psychological condition and prognosis: (1) the patient’s counsel, (2) the patient’s guardian, (3) a mental health professional previously engaged in the patient’s care outside of the evaluation facility or designated treatment facility, (4) a representative of the patient’s choice, (5) a person designated as the patient’s attorney-in-fact with regard to mental health treatment decisions under AS 13.26.332 - 13.26.358, AS 47.30.950 - 47.30.980, or other power-of-attorney, and (6) [(5)] the adult designated under AS 47.30.725. to mental health treatment.

* Sec. 5. AS 47.30.825(f) is amended to read:
   (f) A patient capable of giving informed consent has the absolute right to
   accept or refuse electroconvulsive [ELECTRO-CONVULSIVE] therapy or aversive
   conditioning. A patient who lacks substantial capacity to make this decision may not
   be given this therapy or conditioning without a court order unless the patient
   expressly authorized that particular form of treatment in a declaration properly
   executed under AS 47.30.950 - 47.30.980 or has authorized an attorney-in-fact to
   make this decision and the attorney-in-fact consents to the treatment on behalf of
   the patient.

* Sec. 6. AS 47.30.836 is amended to read:
   Sec. 47.30.836. PSYCHOTROPIC MEDICATION IN NONEMERGENCIES.
   An evaluation facility or designated treatment facility may not administer psychotropic
   medication to a patient in a situation that does not involve a crisis under
   AS 47.30.838(a)(1) unless the patient
   (1) [THE PATIENT] has the capacity to give informed consent to the
   medication, as described in AS 47.30.837, and gives that consent; the facility shall
   document the consent in the patient’s medical chart; [OR]
   (2) authorized the use of psychotropic medication in a declaration
   properly executed under AS 47.30.950 - 47.30.980 or authorized an attorney-in-
   fact to consent to the use of psychotropic medication for the patient and the
   attorney-in-fact does consent; or
   (3) [THE PATIENT] is determined by a court to lack the capacity to
   give informed consent to the medication and the court approves use of the medication
   under AS 47.30.839.

* Sec. 7. AS 47.30.838(a) is amended to read:
   (a) Except as provided in (c) and (d) of this section, an evaluation facility or
   designated treatment facility may administer psychotropic medication to a patient
without the patient’s informed consent, regardless of whether the patient is capable of giving informed consent, only if

(1) there is a crisis situation, or an impending crisis situation, that requires immediate use of the medication to preserve the life of, or prevent significant physical harm to, the patient or another person, as determined by a licensed physician or a registered nurse; the behavior or condition of the patient giving rise to a crisis under this paragraph and the staff’s response to the behavior or condition must be documented in the patient’s medical record; the documentation must include an explanation of alternative responses to the crisis that were considered or attempted by the staff and why those responses were not sufficient; and

(2) the medication is ordered by a licensed physician; the order
  (A) may be written or oral and may be received by telephone, facsimile machine, or in person;
  (B) may include an initial dosage and may authorize additional, as needed, doses; if additional, as needed, doses are authorized, the order must specify the medication, the quantity of each authorized dose, the method of administering the medication, the maximum frequency of administration, the specific conditions under which the medication may be given, and the maximum amount of medication that may be administered to the patient in a 24-hour period;
  (C) is valid for only 24 hours and may be renewed by a physician for a total of 72 hours, including the initial 24 hours, only after a personal assessment of the patient’s status and a determination that there is still a crisis situation as described in (1) of this subsection; upon renewal of an order under this subparagraph, the facts supporting the renewal shall be written into the patient’s medical record.

* Sec. 8. AS 47.30.838 is amended by adding a new subsection to read:

(d) An evaluation facility or designated treatment facility may administer psychotropic medication to a patient without the patient’s informed consent if the patient is unable to give informed consent but has authorized the use of psychotropic medication in a declaration properly executed under AS 47.30.950 - 47.30.980 or has
authorized an attorney-in-fact to consent to this form of treatment for the patient and
the attorney-in-fact does consent.
