A BILL

FOR AN ACT ENTITLED

"An Act relating to the University of Alaska and to assets of the University of Alaska; authorizing the University of Alaska to select additional state public domain land, designating that land as ‘university trust land,’ and describing the principles applicable to the land’s management and the development of its resources; and defining the net income from the University of Alaska’s endowment trust fund as ‘university receipts’ subject to prior legislative appropriation."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. FINDINGS AND PURPOSE. The legislature finds that

(1) as the beneficiary under the provisions of the Acts of August 30, 1890, and March 4, 1907, designating the Alaska Agricultural College and School of Mines as beneficiary, and of March 4, 1915, 38 Stat. 1214, transferring certain land for its location and support, the University of Alaska is a land grant university;
(2) under the Acts of March 4, 1915, 38 Stat. 1214, and January 21, 1929, 45 Stat. 1091, the Congress of the United States granted to the Territory of Alaska certain federal land to be held in trust for the benefit of the predecessor of the University of Alaska;

(8) it is in the best interests of the state and the University of Alaska that the university take ownership of a significant and substantial portfolio of income producing land in order to provide income for the support of public higher education in the state; and

(9) renewable resources should be managed on a sustained yield basis, taking into account the total land grant.

* Sec. 7. AS 14.40.291 is amended by adding new subsections to read:

(e) If a contract for a sale of land of the university is breached, the president
of the university or the president’s designee, in addition to other remedies available
under the law, may issue a decision to foreclose and terminate the contract at any time
31 days after delivering by certified mail a written notice of the breach to the address
of record of the purchaser. The purchaser may cure a breach caused by the failure to
make payments required by the contract within 30 days after the notice of the breach
has been received by the purchaser by payment of the sum in default together with the
larger of a fee of $50 or five percent of the sum in default. If there are material facts
in dispute between the university and the purchaser, the purchaser may submit a
written request to the president or the president’s designee for the review of the facts
within 30 days after the notice of the breach has been received.

(f) On a determination that there has been a breach of the contract based on

university the full amount of the unpaid contract price, including all accrued interest and any fees assessed under (e) of this section, the university shall issue to the purchaser a deed to the land. If full payment is not made within 30 days or the breach is for other than failure to make payment, the decision forecloses and terminates all legal and equitable rights the purchaser has in the land.

(h) Notwithstanding AS 09.25.100 - 09.25.220, on a determination that it is in the best interest of the university or on the request of the person who has provided the information, the president may keep the following confidential:

* Sec. 8. AS 14.40 is amended by adding a new section to read:

Sec. 14.40.365. SELECTION AND CONVEYANCE OF STATE LAND TO THE UNIVERSITY OF ALASKA. (a) For the purposes of providing support to the state’s public higher education system and for the purpose of generating responsible and appropriate development of the state’s land and resources, the University of Alaska is authorized to receive the conveyance of 350,000 acres of land that, on the effective date of this section, is owned by the state, or has been tentatively approved or selected
by the state under the Alaska Statehood Act and that has not been reserved by law
from the state public domain land and designated as part of a state park, state forest,
state game refuge, state wildlife refuge, state game sanctuary, state recreational area,
state recreational river, state wilderness park, state marine park, state special
management area, state public use area, critical habitat area, bald eagle preserve, bison
range, or moose range.

(b) For purposes of making the selection and conveyance of state land to the
university under (a) of this section, the director of the division of land, Department of
Natural Resources, and the director of the University of Alaska’s land management
office shall compile and maintain and may revise a list of the land to be conveyed to
the university under this section. The list shall be maintained at the Anchorage office
of the director of the division of land. The list may not include the valid existing
selections of a municipality to which the municipality is entitled under AS 29.65.010 -

land whose management by the University of Alaska would be inconsistent with the
provisions of law providing for reconstitution of that mental health trust. If there is
a disagreement between the university and the Department of Natural Resources about
the land to be placed on the list, the disagreement must be submitted to the governor,
who shall make the final decision. The governor, upon the recommendation of the
director of the division of land and the director of the university’s land management
office, shall periodically submit to the legislature, within 30 days of the beginning of
a regular legislative session, a list of land proposed to be conveyed by the state to the
University of Alaska under this section. Each list must contain not less than 25,000
acres of land, or the remaining entitlement under (a) of this section, whichever is less.
A list may identify land in excess of the amount of acreage set out in (a) of this
section, but the amount of land identified on the list may not exceed by more than 25
percent in total acreage the amount of acreage to which, on the date of submission of
the list to the legislature, the university has not received title under this section. If, on

The legislature must approve or disapprove a list of land to be conveyed by the end of the regular legislative session following the submission of the list. The legislature may approve some, or all, of the land proposed for conveyance.

(c) Notwithstanding any other provision of law, on land approved by the legislature for conveyance under (b) of this section but not yet conveyed by quitclaim deed to the University of Alaska or for which a document of interim conveyance has not been issued to the University of Alaska under this section,

(1) the state is authorized to enter into contracts and grant leases, licenses, claims, prospecting sites, sales, permits, rights-of-way, or easements, and any interim conveyance or quitclaim deed shall be subject to the contract, lease, license, claim, prospecting site, sale, permit, right-of-way, or easement, except that the authority granted the state by this subsection

(A) is the authority that the state otherwise would have had under existing laws and regulations had the land not been approved by the legislature for conveyance under (b) of this section; and

(B) may be exercised only if the University of Alaska has concurred before the action is taken by the state;

(2) after approval of a list by the legislature under (b) of this section, and until the land has been conveyed by quitclaim deed or by a document of interim conveyance, 90 percent of the proceeds derived from contracts, leases, licenses, claims, prospecting sites, sales, permits, rights-of-way, or easements, or from trespasses, originating after the date of submission of the list to the legislature under (b) of this section shall be held by the state; upon the issuance of a document of interim
conveyance or a quitclaim deed, the state shall pay to the University of Alaska the
proceeds held by the state under this paragraph, and subsequent to the issuance of a
document of interim conveyance or a quitclaim deed, the University of Alaska shall
receive all of the proceeds derived from the contracts, leases, licenses, claims,
prospecting sites, sales, permits, rights-of-way, or easements, or from trespasses;

(3) responsibility for management of contracts, leases, licenses, claims,
prospecting sites, sales, permits, rights-of-way, or easements, vests with the University
of Alaska upon issuance of a quitclaim deed or a document of interim conveyance.

(d) When land is conveyed to the University of Alaska under this section, it
shall be conveyed in fee simple. The state may convey to the university any tideland
or submerged land adjacent to the land conveyed under this section. The University
of Alaska takes the land subject to any possessory interest held by another person on
the effective date of the conveyance and subject to the terms and conditions of
conveyance and the provisions of AS 14.40.365 - 14.40.400. Except as provided in
AS 14.40.368(a)(1), the University of Alaska is entitled to receive the consideration
due under that possessory interest for the duration of the possessory interest.

(e) In conveying land to the University of Alaska under this section, the
commissioner of natural resources shall give public notice under AS 38.05.945(b) and
(c) and provide for access under AS 38.05.127, but other provisions of AS 38.04 and

(g) The University of Alaska shall bear all costs of selection, platting, surveying, and, except for a cost specified in (i) of this section, conveyance of the land that it selects under this section and, subject to appropriation, shall reimburse the Department of Natural Resources for the reasonable costs incurred by that department relating to that selection, platting, surveying, and conveyance. Under this subsection,

(1) if the land has been surveyed,

(A) the boundaries of the land conveyed must conform to the public land subdivisions established by the approved survey; and

(B) the commissioner shall issue a quitclaim deed to the land within one year of receiving a request for the land’s conveyance from the university;

(2) if the land is unsurveyed, the commissioner shall

(A) survey the exterior boundaries of the land to be conveyed without interior subdivision; and

(B) issue a quitclaim deed to the land in terms of the exterior boundary survey within one year of receiving a request for the land’s conveyance by the university.

(h) For land due the University of Alaska under this section that is unsurveyed, pending the survey of exterior boundaries and issuance of a quitclaim deed, the commissioner of natural resources shall, within one year of request by the university, prepare and provide to the University of Alaska a document of interim conveyance for the land to be conveyed.

(i) Except as provided in AS 14.40.368(a)(2), management of land conveyed to the University of Alaska by a quitclaim deed or by a document of interim conveyance vests with the University of Alaska from the date of recording of the quitclaim deed or document of interim conveyance.
