Sec. 21.42.100. ALTERATION OF APPLICATION. (a) If a policy of life
or health [DISABILITY] insurance delivered in this state is reinstated or renewed, and

insurer for a copy of the application, if any, for the reinstatement or renewal, the
insurer shall, within 30 days after receipt of the request at its home office or at one of
its branch offices, deliver, or mail to the person making the request a copy of the
application. In the case of a request from a beneficiary, the time within which the

where written application is required and is to be made a part of the policy or contract,

approved by the director. This provision does not apply to surety bonds, or to specially rated inland marine risks, nor to policies, riders, endorsements, or forms of unique character designed for and used with relation to insurance upon a particular subject, or which relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or health [DISABILITY] insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder.

The filing required by this section of forms for use in property, marine other than wet marine and transportation coverages, casualty, and surety coverages may be made by a rating organization on behalf of its members and subscribers; but this provision does not prohibit a member or subscriber from filing the forms on its own behalf.

* Sec. 40. AS 21.42.130 is amended to read:

The assignment entitles the insurer to deal with the assignee as the owner or pledgee of the policy in accordance with the terms of the assignment until the insurer has received at its home office written notice of termination of the assignment or pledge, or written notice by or on behalf of some other person claiming an interest in the policy that [WHICH] is in conflict with the assignment.

expressed in the policy;

(2) the time the insurance takes effect and terminates must [SHALL]
be expressed in the policy;

(3) it must [SHALL PURPORT TO] insure only one person, except

any children under a specified age, which shall not exceed 23 years, and any other

portion of the text of the policy and of endorsements or attached papers must
[SHALL] be plainly printed in light-faced type of a style in general use, the size of
which must [SHALL] be uniform and not less than 10 point with a lower case
unspaced alphabet length not less than 120 point; in this paragraph, text includes all
printed matter except the name and address of the insurer, name or title of the policy,
the brief description, if any, and captions and subcaptions;

(5) the exceptions and reductions of indemnity must [SHALL] be set
out in the policy and, other than those contained in AS 21.51.040 - 21.51.260, must
[SHALL] be printed, at the insurer’s option, either included with the benefit provision
to which they apply, or under an appropriate caption such as "Exceptions," or

(6) each form, including riders and endorsements, must [SHALL] be identified by a form number in the lower left-hand corner of the first page;

(7) the policy may not [SHALL] contain a [NO] provision making [PURPORTING TO MAKE] a portion of the charter, rules, constitution, or bylaws of the insurer a part of the policy unless the portion is set out in full in the policy; this paragraph does not apply to [EXCEPT IN THE CASE OF] the incorporation of, or reference to, a statement of rates or classification of risks, or short-rate table filed with the director.

* Sec. 61. AS 21.51.120(a) is amended to read:

(a) A health insurance [DISABILITY] policy delivered or issued for delivery must contain the following provisions:

(1) indemnity for loss of life shall be paid according to the beneficiary designation and payment provisions contained in the policy that are effective at the time of payment; if a beneficiary has not been designated, indemnity shall be paid to the estate of the insured; accrued indemnities unpaid at the insured’s death shall be paid to either the beneficiary or the estate, at the option of the insurer; all other indemnities shall be paid to the insured;

(2) the insurer may, and upon written request of the insured shall, within 30 working days after receiving a proof of loss statement, pay indemnities for hospital, nursing, medical, dental, or surgical services directly to the provider of the services; an insurer who pays indemnities to an insured, after the insured has given the insurer written notice in the proof of loss statement of an election of direct payment of indemnities to the provider of the services, shall also pay indemnities to the provider of the services; this paragraph does not require that services be provided by a particular hospital or person;

(3) a covered person may revoke an election of direct payment of indemnities made under this subsection by giving written notice of the revocation to the insurer and to the provider of the services; the written notice of revocation given
to the insurer must certify that the covered person has given written notice of

to hospital, nursing, medical, dental, or surgical services directly to the provider of the
services or to another person may be transferred to a person who is not the insured by

minor, or an insured who is not competent to give a valid release, be paid to a relative
by blood or marriage, or a beneficiary that the insured determines is equitably entitled
to the payment. A good faith payment by the insurer under this subsection fully
discharges the insurer to the extent of the payment.

* Sec. 63. AS 21.51.270 is amended to read:

Sec. 21.51.270. RENEWAL AT OPTION OF INSURER. Health
[DISABILITY] insurance policies, other than accident insurance only policies, in

the right to refuse renewal may not be exercised to take effect before the renewal date
occurring on or after and nearest each policy anniversary, [[or in the case of lapse
and reinstatement, at the renewal date occurring on or after and nearest each
anniversary of the last reinstatement []], and a refusal of renewal shall be without
prejudice to any claim originating while the policy is in force. The parenthetic reference to lapse and reinstatement may be omitted at the insurer’s option.

* Sec. 66. AS 21.53.020 is amended to read:

Sec. 21.53.020. **DISCLOSURE AND PERFORMANCE STANDARDS.** An insurer, hospital or medical service corporation, or a fraternal benefit society that delivers or issues for delivery a long-term care insurance policy may not

(2) include a provision requiring a new waiting period in the event existing coverage is converted to or replaced by a new or another form of **health** [DISABILITY] insurance within the same company, unless there is an increase in benefits voluntarily selected by the insured; or
(3) provide coverage only for skilled nursing care, or provide significantly more coverage for skilled care in a facility than is provided for coverage for lower levels of care; evaluation of the coverage provided under this paragraph must be based on the number of days of coverage provided for lower levels of care, when compared to the number of days of coverage provided for skilled care.

* Sec. 68. AS 21.54.010 is amended to read:

Sec. 21.54.010. REQUIRED PROVISIONS OF GROUP POLICIES. Each group health [DISABILITY] insurance policy must contain in substance the following provisions:

(1) a provision that, in the absence of fraud, all statements made by applicants or the policyholder or by an insured person shall be considered representations and not warranties, and that a statement made for the purpose of effecting insurance may not void the insurance or reduce benefits unless contained in a written instrument signed by the policyholder or the insured person, a copy of which
has been furnished to the policyholder or to the insured person or the beneficiary of
the insured person;

(2) a provision that the insurer will furnish to the policyholder for
delivery to each employee or member of the insured group, a statement in summary
form of the essential features of the insurance coverage of the employee or member
and to whom benefits are payable; if dependents are included in the coverage, only one
certificate need be issued for each family unit;

(3) a provision that to the group originally insured may be added from
time to time eligible new employees or members or dependents, as the case may be,
in accordance with the terms of the policy.

* Sec. 69. AS 21.54.020(a) is amended to read:

(a) An insurer may, and upon written request of the covered person shall,
within 30 working days after receiving a proof of loss statement, pay indemnities
under a group health insurance policy directly to the provider of the
hospital, nursing, medical, dental, or surgical services. The policy may not contain a
 provision requiring that services be provided by a particular hospital or person, except
as applicable to a health maintenance organization under AS 21.86. If the insurer pays
indemnities to the covered person after the covered person has given the insurer
written notice in the proof of loss statement of an election of direct payment of
indemnities to the provider of the service, the insurer shall also pay those indemnities
to the provider of the service.

* Sec. 70. AS 21.54.020(c) is amended to read:

person by a qualified domestic relations order. Rights under the qualified domestic
relations order do not take effect until the order is received by the insurer. In this
subsection, "qualified domestic relations order" means an order or judgment in a
divorce or dissolution action under AS 25.24 that designates a person to determine to
whom indemnities for a covered person should be paid under a health insurance
policy.
Sec. 71. AS 21.54.030 is amended to read:

Sec. 21.54.030. REQUIRED PROVISIONS OF BLANKET POLICIES. An insurer authorized to write health [DISABILITY] insurance in this state shall have the power to issue blanket health [DISABILITY] insurance. A blanket policy may not be issued or delivered in this state unless a copy of the form of the policy has been filed in accordance with AS 21.42.120. Each [EVERY] blanket policy must contain provisions that in the opinion of the director are at least as favorable to the policyholder and the individual insured as the following:

(1) a provision that the policy, including endorsements and a copy of the application, if any, of the policyholder and the persons insured shall constitute the entire contract between the parties, and that any statement made by the policyholder or by a person insured shall in the absence of fraud be considered a representation and not a warranty, and that a statement may not [NO STATEMENTS SHALL] be used in defense to a claim under the policy, unless contained in a written application; the person, a beneficiary, or assignee, shall have the right to make written request to the insurer for a copy of the application and the insurer shall, within 15 days after the receipt of the request at its home office or a branch office of the insurer, deliver or mail to the person making the request a copy of the application;

(2) a provision that written notice of sickness or of injury must be given to the insurer within 20 days after the date when the sickness or injury occurred; failure to give notice within that time may not invalidate or reduce a claim if it is shown that it was not reasonably possible to give the notice and that notice was given as soon as was reasonably possible;

(3) a provision that the insurer will furnish to the policyholder the forms that are usually furnished by it for filing proof of loss; if the forms are not furnished before the expiration of 15 days after the giving of the notice, the claimant shall be considered to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, character, and extent of the loss for which claim is made;

(4) a provision that in the case of claim for loss of time for disability,
written proof of the loss must be furnished to the insurer within 90 days after the
beginning of the period for which the insurer is liable, and that subsequent written
proofs of the continuance of the disability must be furnished to the insurer at the
intervals that the insurer may reasonably require, and that in the case of claim for any
other loss, written proof of the loss must be furnished to the insurer within 90 days
after the date of the loss; failure to furnish the proof within that time does not
invalidate or reduce a claim if it is shown that it was not reasonably possible to furnish
the proof and that the proof was furnished as soon as was reasonably possible;

(5) a provision that all benefits payable under the policy other than
benefits for loss of time will be payable immediately upon receipt of written proof of
the loss, and that, subject to proof of loss, all accrued benefits payable under the policy
for loss of time will be paid not later than at the expiration of each period of 30 days
during the continuance of the period for which the insurer is liable, and that any
balance remaining unpaid at the termination of the period will be paid immediately
upon receipt of the proof;

(6) a provision that the insurer at its own expense shall have the right
and opportunity to examine the person of the insured when and so often as it may
reasonably require during the pendency of claim under the policy and also the right
and opportunity to make an autopsy in case of death if it is not prohibited by law;

(7) a provision that a [NO] civil action may not [SHALL] be brought
to recover under the policy before the expiration of 60 days after written proof of loss
