A BILL

FOR AN ACT ENTITLED

"An Act relating to a state employment preference for certain members of the Alaska National Guard."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 39.25.159(a) is amended to read:

(a) A veteran or prisoner of war who possesses the necessary qualifications for a job classification applied for under this chapter is entitled to a preference under this subsection. In an examination to determine the qualification of applicants for the classified service under merit system examination, five points shall be added to the passing grade of a veteran, 10 points shall be added to the passing grade of a disabled veteran, or 10 points shall be added to the passing grade of a prisoner of war. A person may receive preference points under only one of the categories described in this subsection or in (d) of this section. A person may use the preference without limitation when being considered for a position for which persons who are not currently state employees are being considered. If consideration of
applicants is limited to state employees, preference points under this subsection may not be counted. If a position in the classified service is eliminated, employees shall be released in accordance with rules that give due effect to all factors. If all job qualifications are equal, a veteran or prisoner of war shall be given preference over a person who was not a veteran or prisoner of war, and the veteran or prisoner of war shall be kept on the job. This subsection may not be interpreted to amend the terms of a collective bargaining agreement.

* Sec. 2. AS 39.25.159 is amended by adding a new subsection to read:

(d) A member of the national guard who possesses the necessary qualifications for a job classification applied for under this chapter is entitled to a preference under this subsection. In an examination to determine the qualification of applicants for the classified service under merit system examination, five points shall be added to the passing grade of a member of the national guard. A person may use the preference without limitation when being considered for a position for which persons who are not currently state employees are being considered. If consideration of applicants is limited to state employees, preference points under this subsection may not be counted. If a position in the classified service is eliminated, employees shall be released in accordance with rules that give due effect to all factors. If all job qualifications are equal, a member of the national guard shall be given preference over a person who was not a veteran, prisoner of war, or a member of the national guard. This subsection may not be interpreted to amend the terms of a collective bargaining agreement. In this subsection, "member of the national guard" means a person who is presently serving as a member of the Alaska National Guard and who has at least eight years of service in the Alaska National Guard.
