FOR AN ACT ENTITLED

"An Act providing for the licensing of speech-language pathologists; relating to fees paid by audiologists and speech-language pathologists; and providing for an effective date."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 08.01.010(5) is amended to read:

(5) regulation of audiologists and speech-language pathologists under AS 08.11;

* Sec. 2. AS 08.01.065(c) is amended to read:

(c) Except as provided in (f) and (g) of this section, the department shall establish fee levels under (a) of this section so that the total amount of fees collected for an occupation approximately equals the actual regulatory costs for the occupation. The department shall annually review each fee level to determine whether the regulatory costs of each occupation are approximately equal to fee collections related to that occupation. If the review indicates that an occupation's fee collections and
regulatory costs are not approximately equal, the department shall calculate fee adjustments and adopt regulations under (a) of this section to implement the adjustments. In January of each year, the department shall report on all fee levels and revisions for the previous year under this subsection to the office of management and budget. If a board regulates an occupation covered by this chapter, the department shall consider the board's recommendations concerning the occupation's fee levels and regulatory costs before revising fee schedules to comply with this subsection. In this subsection, "regulatory costs" means costs of the department that are attributable to regulation of an occupation plus
1. all expenses of the board that regulates the occupation if the board regulates only one occupation;
2. the expenses of a board that are attributable to the occupation if the board regulates more than one occupation.

* Sec. 3. AS 08.01.065 is amended by adding a new subsection to read:

(g) Notwithstanding (c) of this section, the department shall establish fee levels under (a) of this section so that the total amount of fees collected by the department for all occupations regulated under AS 08.11 approximately equals the total regulatory costs of the department for all occupations regulated by the department under AS 08.11. The department shall set the fee levels for the issuance and renewal of licenses issued under AS 08.11 so that the fee levels are the same for all occupations regulated by the department under AS 08.11.
