"An Act relating to the use of snow machines to travel across the Dalton Highway corridor."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 19.40.210 is amended to read:

Sec. 19.40.210. Prohibition of off-road vehicles. Off-road vehicles are prohibited on land within five miles of the right-of-way of the highway. However, this prohibition does not apply to

(1) off-road vehicles necessary for oil and gas exploration, development, production, or transportation;

(2) [OR TO] a person who holds a mining claim in the vicinity of the highway and who must use land within five miles of the right-of-way of the highway to gain access to the mining claim; or

(3) the use of a snow machine to travel across the highway corridor from land outside the corridor to access land outside the other side of the
corridor; this paragraph does not permit the use of a snow machine for any
purpose within the corridor if the use begins or ends within the corridor or within
the right-of-way of the highway or if the use is for travel within the corridor that
is parallel to the right-of-way of the highway; in this paragraph, "highway
corridor" means land within five miles of the right-of-way of the highway.
