BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 02.15.090(a) is amended to read:

(a) In operating an airport or air navigation facility owned or controlled by the state, the department may enter into contracts, leases, and other arrangements covering periods not exceeding 55 years with a person, municipality, or the United States, granting the privilege of using or improving an airport or air navigation facility or a portion of it or space in it for commercial, governmental, or other public purposes, including private plane tie downs; or conferring the privilege of supplying goods, commodities, services, or facilities at an airport or air navigation facility. The department may establish the terms and conditions and fix the charges, rentals, and
fees for the privileges or services that are reasonable and uniform for the same class of privilege or service. Charges, rentals, or fees authorized by this subsection may be fixed for the international airports by order of the commissioner or by negotiated or competitively offered contract. Notwithstanding AS 37.10.050(a), the fixing of charges, rentals, or fees as permitted under this subsection is not subject to the adoption of regulation provisions of AS 44.62 (Administrative Procedure Act). The terms, conditions, charges, rentals, and fees shall be established with due regard to the property and improvements used and the expense of operation to the state. However, use of state land and buildings by the Alaska Wing, Civil Air Patrol and its squadrons shall be permitted without rental charges. If the department permits space in state-owned or state-controlled airports to be used as lounges for members of the United States armed forces, the Alaska National Guard, the Alaska Naval Militia, or the Alaska State Defense Force, [MILITIA] and if the lounges are operated by persons exempt from taxation under 26 U.S.C. 501(c)(3) (Internal Revenue Code), rent may not be charged for the use of the space. The department shall provide for public notice and an opportunity to comment before a charge, rental, or fee is fixed by order of the commissioner as permitted under this subsection. The public may not be deprived of its rightful, equal, and uniform use of the airport, air navigation facility, or a portion of them.
