A RESOLUTION

Relating to federal claims against funds obtained by settlement of state tobacco litigation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

WHEREAS the State of Alaska, taking all of the risks inherent in litigation, brought suit against major cigarette and smokeless tobacco manufacturers based on state antitrust and consumer protection claims solely to collect the state's smoking-related expenditures; and

WHEREAS none of the claims asserted by the state were based on a Medicaid recoupment statute or included the assertion of claims based on federal law for the federal government's tobacco-related Medicaid expenditures; and

WHEREAS the State of Alaska entered into a settlement agreement in state court based on state antitrust and consumer protection law claims with cigarette and smokeless tobacco companies for $669,000,000 on November 23, 1998; and

WHEREAS the federal government, through the Health Care Finance Administration, has asserted that it is entitled to a significant share of the state settlement on the basis that it represents the federal share of Medicaid costs; and

WHEREAS the federal government declined to bring its own action to assert a claim
for the federal money it spent for the treatment of smoking-related illnesses in Alaska and
provided no assistance to the state during the litigation or during settlement negotiations; and

WHEREAS the federal government asserts that it is authorized and obligated, under
the Social Security Act, to collect its share of any settlement funds attributed to Medicaid; and

WHEREAS the state tobacco lawsuit was brought for violation of state law under state
law theories and the state lawsuit did not make any federal claims; and

WHEREAS the state bore all the risk and expense in the litigation brought in state
court and settled without any assistance from the federal government; and

WHEREAS the state is entitled to all of the funds negotiated in the tobacco settlement
agreement without any federal claim;

BE IT RESOLVED that the Twenty-First Alaska State Legislature respectfully
requests the Congress to enact and the President to sign legislation to prohibit any federal
claim against money obtained by settlement of state tobacco litigation; and be it

FURTHER RESOLVED that the Twenty-First Alaska State Legislature respectfully
urges the President of the United States to direct the Health Care Finance Administration to
refrain from taking steps to pursue recoupment of dollars.

United States; the Honorable Al Gore, Jr., Vice-President of the United States and President
