CS FOR SENATE BILL NO. 169(FIN) am H

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-FIRST LEGISLATURE - FIRST SESSION

BY THE SENATE FINANCE COMMITTEE

Amended: 5/16/99
Offered: 5/10/99

Sponsor(s): SENATE FINANCE COMMITTEE

A BILL

FOR AN ACT ENTITLED

"An Act relating to missions and measures to be applied to certain expenditures by the executive branch of state government and the University of Alaska from the state operating budget for the fiscal year ending June 30, 2000; and providing for an effective date."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. Legislative purpose. The purpose of this Act is to state the missions, when expending money appropriated by the operating budget for the fiscal year 2000, for the departments of state government and for those divisions within departments that the legislature reviewed in 1999 and, in some cases, to set out performance measures for divisions or programs within divisions.

  Article 1. Department of Administration.

  * Sec. 2. Department of Administration. The mission of the Department of Administration is to

    (1) facilitate the operations of state government by providing cost-effective
business management and information technology support services to state agencies;

(2) provide equitable legal and advocacy services for indigent Alaskans;
(3) provide quality programs that promote the dignity, security, and independence of Alaska’s seniors;
(4) provide efficient and accessible vehicle licensing and registration services to the public; and
(5) provide administrative support to those commissions assigned to the department.

* Sec. 3. Admin - Division of Administrative Services. The mission of the Division of Administrative Services is to provide
(1) cost-effective business management and information technology support; and
(2) effectively administer state municipal grants programs.

* Sec. 4. Admin - Information Technology Group. The mission of the Information Technology Group is to
(1) assist state agencies in accomplishing their missions by providing innovative and cost effective technology support; and
(2) make government more accessible to the public through on-line information and services; and
(3) provide an essential piece of the state’s information infrastructure by efficient use of Alaska’s satellite-based public communications system ensuring the delivery of educational programs, children’s programs, news, and information material, and emergency warnings throughout the state.

* Sec. 5. Admin - Division of Personnel. The mission of the Division of Personnel is to contribute to the efficiency and effectiveness of government by working in partnership with state agencies to hire and retain a qualified and productive workforce in accordance with state and federal rules.

* Sec. 6. Admin - Division of Finance. The mission of the Division of Finance is to uphold the public’s trust in the security, integrity, and stability of the state’s financial system through sound policies and compliance with fiscal rules, laws, and generally accepted accounting principles.
Sec. 7. Admin - Division of General Services. The mission of the Division of General Services is to assist state agencies to accomplish their missions by

(1) facilitating the efficient and legal procurement of goods and service; and
(2) providing inventory control, surplus property disposal, office leasing, facility management, and mail room services.

Sec. 8. Admin - Division of Alaska Longevity Programs. The mission of the Division of Alaska Longevity Programs is to contribute to the dignity and security of the state’s seniors by providing timely and accurate longevity bonus payments to eligible individuals and by providing assisted living support for Pioneers’ Homes residents.

Sec. 9. Admin - Division of Retirement and Benefits. The mission of the Division of Retirement and Benefits is to develop, manage, and administer benefit programs to attract and retain qualified state employees and to extend those services to certain political subdivisions.

Sec. 10. Admin - Division of Risk Management. The mission of the Division of Risk Management is to protect the financial assets, operations, and employees of the state from accidental loss through a comprehensive self-insurance program combined with excess insurance coverage.

Sec. 11. Admin - Division of Senior Services. (a) The mission of the Division of Senior Services is to

(1) maximize the independence of vulnerable elder Alaskans by providing choices and access to prevention, wellness, and quality long-term care services; and
(2) ensure that foster care children are expeditiously placed in permanent homes.

(b) The legislature intends to measure the success of the division in achieving its mission concerning foster care children by considering the percent

(1) decrease in the average time to place a child in a permanent home in reviewed cases;
(2) increase in the number of recommendations followed by the Division of Family and Youth Services in the Department of Health and Social Services in reviewed cases;
(3) increase in the number of cases reviewed.

Sec. 12. Admin - Division of Motor Vehicles. The mission of the Division of Motor
Vehicles is to provide protection of life and property through the efficient administration of motor vehicle laws.

* Sec. 13. Admin - Office of Public Advocacy. The mission of the Office of Public Advocacy is to protect the rights of vulnerable Alaskans by providing cost-effective legal and guardian representation to abused and neglected children and to incapacitated adults.

* Sec. 14. Admin - Public Defender Agency. The mission of the Public Defender Agency is to ensure equal justice for all Alaskans by providing constitutionally mandated legal representation to indigent clients.

* Sec. 15. Admin - Office of Tax Appeals. The mission of the Office of Tax Appeals is to provide impartial, timely, and cost-effective hearing of tax appeals and other administrative appeals brought by businesses and individuals.

* Sec. 16. Admin - Y2K Project Office. The mission of the Y2K project office is to assure that key business functions of the state are not interrupted due to Y2K related problems.

* Sec. 17. Admin - Alaska Public Offices Commission. The mission of the Alaska Public Offices Commission is to

(1) increase public confidence in the state’s election process and in our elected and appointed officials by promoting fairness and openness in elections;

(2) uphold the public’s right to know the influences on public decision-making;

and

(3) encourage participation in the process of representative democracy.

* Sec. 18. Admin - Oil and Gas Conservation Commission. The mission of the Oil and Gas Conservation Commission is to protect the public interest in exploration and development of oil and gas resources, ensuring conservation practices, and maximum ultimate recovery while protecting health, safety, the environment, and property rights.

Article 2. Department of Commerce and Economic Development.

* Sec. 19. Department of Commerce and Economic Development. The mission of the Department of Commerce and Economic Development is to work with the private sector, communities in the state, and other governmental entities in the state in creating new jobs for Alaskans, strengthening the state’s competitiveness in the world marketplace, and maintaining a fair and consistent business regulatory environment in the state.
**Sec. 20. DCED - Office of the Commissioner.** The mission of the Office of the Commissioner is to
(1) effectively and efficiently manage the department;
(2) serve as a liaison between the department and private, governmental, and other public institutions and agencies.

**Sec. 21. DCED - Division of Administrative Services.** The mission of the Division of Administrative Services is to provide management services and centralized administrative support to the divisions and agencies within the department.

**Sec. 22. DCED - Division of Banking, Securities, and Corporations.** The overall mission of the Banking, Securities, and Corporations Division is to
(1) maintain a stable financial network in the state for the safe conduct of financial services;
(2) protect securities investors;
(3) protect shareholders in ANCSA corporations from false and misleading proxy solicitations;
(4) provide in-state and out-of-state businesses with a legal structure enabling them to transact commerce in the state.

**Sec. 23. DCED - Division of Insurance.** The mission of the Division of Insurance is to
(1) protect and serve the state by developing, interpreting, and enforcing the insurance statutes and regulations;
(2) protect and educate the consumer; and
(3) enhance the insurance business environment.

**Sec. 24. DCED - Division of Investments.** The mission of the Division of Investments is to
(1) promote economic development through direct state lending within those industries that are not adequately serviced by the private sector; and
(2) provide interagency and interdepartmental loan servicing of other loan portfolios.

**Sec. 25. DCED - Division of Trade and Development.** The mission of the Division of Trade and Development is to
(1) provide economic and business information and services to the private sector and to trading partners;
(2) encourage trade, investment, and sound economic development throughout the state.

* Sec. 26. DCED - Division of Tourism. The mission of the Division of Tourism is to
(1) promote the state as a seasonal and year-round travel destination;
(2) create jobs and business opportunities in the private sector; and
(3) disperse the economic benefit of tourism throughout the state.

* Sec. 27. DCED - Alaska Aerospace Development Corporation. The mission of the Alaska Aerospace Development Corporation is to allow the state to take a lead role in launching and servicing satellites and downloading data from satellites.

* Sec. 28. DCED - Alaska Seafood Marketing Institute. The mission of the Alaska Seafood Marketing Institute is to increase the consumption of Alaska seafood and to promote the quality and superiority of state seafood products.

* Sec. 29. DCED - Alaska Science and Technology Foundation. (a) The mission of the Alaska Science and Technology Foundation is to build an entrepreneurial state economy through the development and application of science and technology.

(b) The legislature intends to measure the success of the Alaska Science and Technology Foundation (ASTF) in achieving its mission by considering
(1) whether the number of full-time equivalent jobs in the state that are a direct result of ASTF project increases as compared to the five-year average;
(2) the increase in the amount of gross sales from technology resulting from ASTF projects;
(3) the increase in the number of value-added products for export or that substitute for imported products;
(4) the decrease in cost of goods or services purchased by the public sector from science or technology that results from ASTF projects;
(5) the percentage increase of public goods or services projects that show improvement as measured on a project-by-project basis.

Article 3. Department of Community and Regional Affairs.

* Sec. 30. Department of Community and Regional Affairs. The mission of the
Department of Community and Regional Affairs is to foster the development of self-reliant and productive individuals, families, and communities by providing training, technical assistance, and financial support.

* Sec. 31. DCRA - Office of the Commissioner. The mission of the Office of the Commissioner is to set policy and program direction to achieve the department’s mission of providing leadership, training, technical assistance, and financial support that leads to the development of self-reliant individuals, families, and communities.

* Sec. 32. DCRA - Division of Administrative Services. The mission of the Division of Administrative Services is to provide general oversight and administrative services for all department programs through the division’s audit, personnel, fiscal, budget and procurement, and information systems sections.

* Sec. 33. DCRA - Division of Municipal and Regional Assistance. The mission of the Division of Municipal and Regional Assistance is to advise, assist, and coordinate efforts of local governments, individuals, and organizations so that communities can effectively provide essential public services.

* Sec. 34. DCRA - Division of Energy. The mission of the Division of Energy is to assist in the development of safe, reliable, independent, and efficient energy systems throughout the state that are financially viable and environmentally sound.

* Sec. 35. DCRA - Division of Community and Rural Development. The mission of the Division of Community and Rural Development is to assist in the development of self-reliant communities and individuals by providing training, technical assistance, and financial support.

Article 4. Department of Corrections.

* Sec. 36. Department of Corrections. The mission of the Department of Corrections is to protect the public and encourage offender rehabilitation through humane, safe, and cost-effective confinement and supervision. The department will respect the rights of victims and recognize the dignity inherent in all human beings as it pursues this mission.

* Sec. 37. DCorrections - Parole Board. The mission of the Parole Board is to administer the release of eligible correctional inmates while providing for public safety and for the successful integration of parolees into the community.

* Sec. 38. DCorrections - Division of Administrative Service. The mission of the
Division of Administrative Services is to assist and provide effective and efficient administrative support services to the operating divisions within the department in implementing their programs, while ensuring compliance with federal regulations, state statutes, state regulations, state policies and procedures, and departmental policies and procedures, as approved by the Office of the Commissioner.

* Sec. 39. DCorrections - Alaska Correctional Industries. The mission of the Alaska Correctional Industries is to assist in the rehabilitation of prisoners by providing realistic work experiences as much like those that prevail in private industry as possible.

* Sec. 40. DCorrections - Division of Institutions. The mission of the Division of Institutions is to ensure that the institutions are maintaining an environment for staff and prisoners that promotes positive change and at the same time fulfills the statutory obligation of protecting the public.

* Sec. 41. DCorrections - Division of Community Corrections. The mission of the Division of Community Corrections is to

1. develop and maintain public safety through supervision standards in conjunction with the regional chief probation officers; and

2. provide for public safety through supervision of adult felons who are placed in the division’s jurisdiction.

Article 5. Department of Education.

* Sec. 42. Department of Education. The mission of the Department of Education is to lead and support the development of responsible, economically viable, lifelong learners and citizens.

* Sec. 43. DOE - Office of the Commissioner. The mission of the Office of the Commissioner is to direct the department as it leads and supports the development of responsible, economically viable, lifelong learners and citizens.

* Sec. 44. DOE - Education Support Services. The mission of the Education Support Services is to provide management, financial, and technical support services to departmental programs and the operation of public schools for lifelong learners and citizens.

* Sec. 45. DOE - Teaching and Learning Support. (a) The mission of the Teaching and Learning Support is to improve student performance through professional development, school accountability, standards, and assessment.
(b) The legislature intends to measure the success of Teaching and Learning Support in achieving its mission by considering the percentage increase of students who meet or exceed the proficiency level for reading, writing, and mathematics performance standards as measured by the state benchmark assessment in grades 3, 6, and 8; in grades 4 and 7 scoring at or above the national average on the state adopted norm-referenced test; and who meet or exceed the proficiency level for reading, writing, and mathematics performance standards as measured by the state high school graduation qualifying examination.

* Sec. 46. DOE - Division of Vocational Rehabilitation. The mission of the Division of Vocational Rehabilitation is to assist individuals with disabilities to overcome barriers to employment and maintain suitable employment.

* Sec. 47. DOE - Libraries, Archives, and Museums. The mission of the Libraries, Archives, and Museums is to provide library, archival, and museum services for the benefit of lifelong learners and citizens.

* Sec. 48. DOE - Alyeska Central School. The mission of Alyeska Central School is to provide a cost-effective, high quality educational program through distance delivery for state students who elect to complete their studies at home.

* Sec. 49. DOE - Mt. Edgecumbe High School. The mission of Mt. Edgecumbe High School is to provide a comprehensive academic program in a residential setting for state students who will benefit from a boarding school.

* Sec. 50. DOE - Alaska Vocational Technical Center. The mission of the Alaska Vocational Technical Center is to provide market-driven vocational and technical training to prepare state residents for employment industry-specific qualifications.

* Sec. 51. DOE - Alaska State Council on the Arts. The mission of the Alaska State Council on the Arts is to provide an enriched atmosphere for lifelong participation in the state’s rich artistic diversity through advocacy, information, and educational services.

* Sec. 52. DOE - Alaska Commission on Postsecondary Education. (a) The mission of the Alaska Commission on Postsecondary Education is to

(1) support the development of economically viable citizens by providing,
through the self-sustaining loan fund, educational loans to postsecondary students; and

(2) authorizing the operation of postsecondary institutions.

(b) The legislature intends to measure the success of the commission in achieving its mission by considering

(1) the percentage of and the increase in the percentage of Alaska student loan borrowers completing job-specific training programs;

(2) the percentage of and the decrease in the percentage of loans that are in default;

(3) the defaulted loan recovery rate and the increase in the rate of recovery for defaulted loans.

* Sec. 53. DOE - WWAMI. (a) The mission of the Alaska Commission on Postsecondary Education in administering the WWAMI program is to improve the general health and well-being of state residents by providing biomedical education, research, health care, and public service.

(b) The legislature intends to measure the success of the WWAMI program by considering

(1) whether the program succeeds in increasing the number of Alaska communities with access to basic or enhanced medical services associated with WWAMI/UW;

(2) the percentage increase in WWAMI participants who return to the state to practice medicine;

(3) percentage increase of Alaskans receiving medical care through programs and physicians supported by the University of Washington School of Medicine WWAMI program;

(4) the percentage increase in health-related programs developed in the state that are associated with WWAMI/UW; and

(5) the number of research projects in or about the state associated with the University of Washington School of Medicine WWAMI program.

* Sec. 54. Department of Environmental Conservation. The mission of the Department of Environmental Conservation is to develop, coordinate, and administer policies, programs, and planning related to public health and the environment of the state.
* Sec. 55. DEC - Office of the Commissioner. The mission of the Office of the Commissioner is to set departmental policy and implement statutory requirements.

* Sec. 56. DEC - Division of Administrative Services. The mission of the Division of Administrative Services is to provide administrative support for the department’s programs and personnel.

* Sec. 57. DEC - Division of Spill Prevention and Response. The mission of the Division of Spill Prevention and Response is to prevent, respond to, and ensure the clean-up of unauthorized discharges of oil and hazardous substances.

* Sec. 58. DEC - Division of Air and Water Quality. The mission of the Division of Air and Water Quality is to identify, prevent, abate, and control air and water pollution in a cost-effective, accountable manner.

* Sec. 59. DEC - Division of Environmental Health. The mission of the Division of Environmental Health is to prevent and control public health nuisances by establishing standards of cleanliness and sanitation for water, solid waste, and food where a lack of sanitation may create a condition that causes disease.

* Sec. 60. DEC - Division of Facility Construction and Operation. The mission of the Division of Facility Construction and Operation is to provide financial and technical assistance to local governments for construction and operation of water, sewage, and solid waste projects.

* Sec. 61. DEC - Division of Statewide Public Service. The mission of the Division of Statewide Public Service is to provide environmental compliance assistance to communities and businesses.

Article 7. Department of Fish and Game.

* Sec. 62. Department of Fish and Game. The mission of the Department of Fish and Game is to protect, maintain, and improve the fish, game, and aquatic plant resources of the state, and manage their use and development in the best interest of the economy and the well-being of the people of the state, consistent with the sustained yield principle.

* Sec. 63. DF&G - Office of the Commissioner. The mission of the Office of the Commissioner is to provide executive leadership and policy guidance in managing, protecting, maintaining, and improving the fish, game, and aquatic plant resources of the state.

* Sec. 64. DF&G - Division of Administrative Services. The mission of the Division of Administrative Services is to provide efficient and cost-effective professional support
services to the programs of the department.

* Sec. 65. DF&G - Division of Commercial Fisheries. (a) The mission of the Division of Commercial Fisheries is to manage, protect, rehabilitate, enhance, and develop fisheries and aquatic plant resources in the interest of the economy, consistent with the sustained yield principle and subject to allocations through public regulatory processes.

(b) The legislature intends to measure the success of the division in achieving its mission by considering

(1) the harvest for each fishery, based on the location, species, and gear, compared to the 10-year average for that fishery;
(2) the percentage of fisheries open in one year compared to total number of fisheries;
(3) the percentage of permits actively fished compared to 10-year average of permits fished;
(4) the actual harvest compared to the projection;
(5) the number of escapement objectives met compared to the total number of objectives;
(6) the number of allocation objectives met compared to total number of objectives.

* Sec. 66. DF&G - Commercial Fisheries Entry Commission. The mission of the Commercial Fisheries Entry Commission is to limit entry into commercial fisheries for purposes of resource conservation and to prevent economic distress among fishermen and those dependent on them for a livelihood.

* Sec. 67. DF&G - Division of Habitat and Restoration. (a) The mission of the Division of Habitat and Restoration is to rehabilitate, enhance, and develop habitat for fish and wildlife consistent with sound conservation and sustained yield principles.

(b) The legislature intends to measure the success of the division in achieving its mission by considering the number of

(1) projects involving construction of a dam or other obstruction in a fish-bearing water body where efficient fish passage was maintained, mitigated, or compensated compared to the number of projects permitted;
(2) projects where fish and game populations and habitat in specified
anadromous water bodies were maintained, protected, or enhanced compared to the number
of projects in specified anadromous water bodies permitted;

(3) projects where unavoidable losses to fish and game populations were
successfully mitigated compared to the number of

(A) projects involving unavoidable losses to fish and game; and

(B) all projects permitted;

(4) permits issued where violations of permit terms and conditions were
satisfactorily resolved compared to the number of

(A) permits whose terms and conditions were violated; and

(B) all permits issued.

* Sec. 68. DF&G - Division of Subsistence. The mission of the Division of Subsistence
is to

(1) gather, quantify, evaluate, and report data about uses, users, and methods
of subsistence hunting and fishing; and

(2) make recommendations on the effects of federal and state laws and
regulations on subsistence use.

* Sec. 69. DF&G - Division of Sport Fish. The mission of the Division of Sport Fish
is to manage, protect, maintain, improve, and extend the state’s recreational fishery resources
in the interest of the economy, consistent with the sustained yield principle and subject to
allocations through public regulatory processes.

* Sec. 70. DF&G - Division of Wildlife Conservation. The mission of the Division of
Wildlife Conservation is to conserve and enhance Alaska’s wildlife, consistent with the
sustained yield principle, and to provide for a wide range of uses to the benefit of current and
future generations of people.

* Sec. 71. Department of Health and Social Services. The mission of the Department
of Health and Social Services is to promote and protect the health and well-being of Alaska
citizens with a focus on prevention and early intervention.

* Sec. 72. DHSS - Office of the Commissioner. The mission of the Office of the
Commissioner is to promote and protect the well-being of Alaskans by investing in families
and communities.
* Sec. 73. DHSS - Division of Administrative Services. The mission of the Division of Administrative Services is to provide quality administrative services that support the department’s programs.

* Sec. 74. DHSS - Division of Public Assistance. The mission of the Division of Public Assistance is to provide basic living expenses and self-sufficiency services to Alaskans in need.

* Sec. 75. DHSS - Division of Public Health. The mission of the Division of Public Health is to preserve and promote the state’s public health.

* Sec. 76. DHSS - Division of Alcoholism and Drug Abuse. The mission of the Division of Alcoholism and Drug Abuse is to promote the health and well-being of Alaskans by preventing and treating the abuse of alcohol, other drugs and inhalants.

* Sec. 77. DHSS - Division of Medical Assistance. The mission of the Division of Medical Assistance is to maintain access to quality health care for all Alaskans and to provide health coverage for Alaskans in need.

* Sec. 78. DHSS - Division of Family and Youth Services. The mission of the Division of Family and Youth Services is to

(1) protect children who are abused and neglected or at risk of abuse and neglect;

(2) protect and restore communities and victims; and

(3) rehabilitate juvenile offenders.

* Sec. 79. DHSS - Division of Mental Health and Developmental Disabilities. The mission of the Division of Mental Health and Developmental Disabilities is to plan with and provide appropriate prevention, treatment, and support for consumers and their families affected by mental disorders or developmental disabilities, while maximizing their self-determination.

Article 9. Department of Labor.

* Sec. 80. Department of Labor. The mission of the Department of Labor is to foster, promote, and improve working conditions and advance the opportunities for profitable employment of the wage earners of the state to the mutual benefit of employees and employers.

* Sec. 81. DOL - Office of the Commissioner. The mission of the Office of the
Commissioner is to foster compliance with the statutes and policies that foster, promote, and improve working conditions and advance opportunities for profitable employment.

* Sec. 82. DOL - Division of Administrative Services. The mission of the Division of Administrative Services is to

1. provide efficient administrative services in support of the department’s programs; and
2. analyze and distribute demographic and economic information that assists Alaskans in making more informed policy and employment decisions.

* Sec. 83. DOL - Division of Employment Security. The mission of the Division of Employment Security is to assist in easing the negative effects that involuntary unemployment has on Alaska’s wage earners and society and to assist unemployed wage earners find employment.

* Sec. 84. DOL - Division of Workers’ Compensation. The mission of the Division of Workers’ Compensation is to

1. ensure that eligible Alaska workers are provided adequate medical care, prompt payment of benefits, and, if needed, voluntary rehabilitative services;
2. provide protection to employers from being sued in court by employees for workplace injuries;
3. provide assistance with medical costs of injuries or illnesses due to commercial fishing activities onshore or in state water; and
4. reimburse employers for compensation paid to employees involved in a second injury.

* Sec. 85. DOL - Division of Labor Standards and Safety. (a) The mission of the Division of Labor Standards and Safety is to provide assistance and oversight to both employees and employers in the state by ensuring safe and healthy working conditions, just compensation, and legal employment practices, and to provide public and consumer protection by ensuring the integrity and safety of various mechanical systems and equipment.

(b) The mission of the Wage and Hour administration in the Division of Labor Standards and Safety is to

1. assist employers by responding to their questions concerning the application of the wage and hour statutes and regulations to their unique business situations;
(2) ensure that employees are justly compensated for work;
(3) safeguard workers from unscrupulous employment practices; and
(4) ensure that children are not exploited in dangerous occupations.

(c) The mission of the Mechanical Inspection Section in the Division of Labor Standards and Safety is to protect employers and employees by
(1) providing oversight and inspection for hazards related to boilers, pressure vessels, elevators, escalators, wheelchair lifts, recreational devices, electrical and plumbing installations statewide;
(2) testing and licensing people associated with some of the activities set out in (1) of this subsection.

(d) The mission of the Occupational Safety and Health Administration in the Division of Labor Standards and Safety is to work in partnership with Alaska employers and workers toward eliminating workplace injuries, illnesses, and deaths, and to assist employers in complying with state and federal regulations relating to occupational safety and health.

(e) The mission of the Alaska State Advisory Council in the Division of Labor Standards and Safety is to work with organizations, individuals, and groups that are interested in the promotion of safety to reduce accidental death and injury.

Article 10. Department of Law.

* Sec. 86. Department of Law. The mission of the Department of Law is to
(1) protect the state’s sovereignty;
(2) prosecute crime;
(3) represent and advise the state in all civil matters; and
(4) provide other legal services to state government.

* Sec. 87. DLaw - Office of the Attorney General. The mission of the Office of the Attorney General is to
(1) allocate state legal services;
(2) represent the state in civil actions;
(3) prosecute cases involving violation of state law.

* Sec. 88. DLaw - Division of Administrative Services. The mission of the Division of Administrative Services is to provide core services that are essential to the day-to-day operation of the department and the management of department resources.
Sec. 89. DLaw - Civil Division. The mission of the Civil Division is to protect
the human, financial, and natural resources of the state by providing legal
advice, prosecution, and defense; and

(2) the state’s sovereignty and guarantees of statehood.

Sec. 90. DLaw - Criminal Division. The mission of the Criminal Division is to
(1) prosecute crime;
(2) uphold convictions through appellate and post-conviction proceedings; and
(3) provide effective representation for state criminal justice agencies.

Sec. 91. DLaw - Office of Special Prosecutions and Appeals. The mission of the
Office of Special Prosecutions and Appeals is to prosecute complex economic and natural
resource cases, and to uphold the state’s position on appeals of criminal convictions and
statutes relating to criminal justice.

Article 11. Department of Military and Veterans’ Affairs.

Sec. 92. Department of Military and Veterans’ Affairs. The mission of the
Department of Military and Veterans’ Affairs is to provide strategically positioned, relevant,
and ready military forces capable of rapid deployment, joint operations, and mission
accomplishment in the state or throughout the world while also providing organizations
capable of performing required and emergency services to Alaska.

Sec. 93. DMVA - Division of Administrative Services. The mission of the Division
of Administrative Services is to provide effective and efficient administrative services to
departmental employees and programs in order to maximize public service.

Sec. 94. DMVA - Division of Emergency Services. The mission of the Division of
Emergency Services is to lead, coordinate, and support the emergency management system to
protect lives and prevent the loss of property from all hazards.

Sec. 95. DMVA - Facilities Management Office. The mission of the Facilities
Management Office is to provide, maintain, and operate safe, secure, high-quality facilities,
training areas, and ranges for the Alaska Army National Guard on a cost-effective basis that
meet or exceed unit mission requirements, environmental compliance standards, and energy
efficiencies.

Sec. 96. DMVA - Contracting and Project Management Section. The mission of the
contracting and project management section is to provide specified and unspecified minor
construction services supporting new construction, maintenance, and repair and to implement energy conservation measures that will enable the Alaska Army National Guard to meet established Department of Defense energy goals.

* Sec. 97. DMVA - Operations and Maintenance Section. The mission of the operations and maintenance section is to provide maintenance, repair, minor construction, and operational services in support of facilities of the department and other governmental agencies in a cost-effective manner.

* Sec. 98. DMVA - Major Construction Section. The mission of the major construction section is to provide major construction services for safe, secure, high quality facilities, training areas, and ranges for the Alaska Army National Guard on a cost-effective basis that meet or exceed unit mission requirements, environmental compliance standards, energy efficiencies, and plan for future major construction and real property needs.

* Sec. 99. DMVA - Alaska Air National Guard. (a) The global mission of the Alaska Air National Guard is to provide strategically positioned units in the state that are effective and highly trained for rapid global response and joint operations as a part of our nation’s total force policy.

(b) The Alaska mission of the Alaska Air National Guard is to provide communities in the state and the state with effective, top quality units and people who protect life and property, preserve peace and order, enhance public safety, and participate in programs that add value to the nation.

* Sec. 100. DMVA - Alaska Army National Guard. (a) The global mission of the Alaska Army National Guard is to organize, man, equip, and train units as a part of the nation’s total force policy that are capable of rapid response from the state’s strategic location to conduct tactical, stability, and joint operations in support of worldwide United States military missions.

(b) The Alaska mission of the Alaska Army National Guard is to organize, man, equip, and train quality units capable of rapid air and land response for state emergency missions.

* Sec. 101. DMVA - Alaska National Guard Youth Corps. (a) The mission of the Alaska National Guard Youth Corps is to use proven United States military methodology and techniques to motivate "at risk" youth who are 16 - 18 years of age to become productive and
successful citizens.

(b) The legislature intends to measure the success of the youth corps in achieving its mission by considering the percentage of

1. graduates who receive their GED or reenter high school;
2. students increasing English or math comprehension one grade level or more;
3. enrollees who graduate from the youth corps program;
4. graduates working, in school, including continuing education, or training one year after graduation from the youth corps program.

**Article 12. Department of Natural Resources.**

* Sec. 102. *Department of Natural Resources.* The mission of the Department of Natural Resources is to develop, conserve, enhance, and make available natural resources for present and future Alaskans.

* Sec. 103. *DNR - Division of Support Services.* The mission of the Division of Support Services is to provide effective and efficient administrative services to departmental employees and programs in order to maximize public service.

* Sec. 104. *DNR - Division of Oil and Gas.* The mission of the Division of Oil and Gas is to encourage maximum responsible oil and gas exploration and development.

* Sec. 105. *DNR - Division of Agriculture.* The mission of the Division of Agriculture is to promote and encourage development of an agriculture industry in the state.

* Sec. 106. *DNR - Division of Land.* (a) The mission of the Division of Land is to provide for maximum use and settlement of state land consistent with the public interest.

(b) The legislature intends to measure the success of the Division of Land in achieving its mission by considering

1. the percentage of total entitlement acres that were acquired during the year;
2. the percentage of trespass actions resolved;
3. the percentage of Bureau of Land Management conveyance to third parties contested;
4. the number of amendments to existing area plans;
5. in regions without area plans, the number of site-specific plans as a measure of changing land classification and land use requirements;
(6) the dollar amount of revenue from material sales;
(7) the ratio of commercial land use permits as percent of the total land use permits;
(8) the ratio of leases with significant economic benefit (that is, those that create 20 or more jobs) as percent of total;
(9) the commercial rights-of-way as percent of total rights-of-way;
(10) the number of land sales held and percent of preference rights conveyed versus applications;
(11) with respect to municipal entitlement requests and applications, the number of applications received from municipalities and the number of acres;
(12) percentage of entitlement remaining to process considered by the number of acres;
(13) the percentage of remaining entitlement selected, considered both by number and by acres;
(14) the number of parcels of entitlement that are expedited, considered both by number and by acres;
(15) the percentage of municipal selections approved by the division but waiting for municipal survey, considered both by number and by acres.

* Sec. 107. DNR - Division of Forestry. (a) The mission of the Division of Forestry is to develop, conserve, enhance, and manage the state’s forests to provide a sustainable supply of forest resources for Alaskans.

(b) The mission of forest management and development in the Division of Forestry is to

(1) manage state forests and forested state lands, for which forestry is an identified use, sustainably for the many public uses of forest resources;

(2) administer the Alaska Forest Resources and Practices Act on state, municipal, and private lands in a manner that maximizes sustainable forest resources and economic enterprises that rely on forest resources; and

(3) provide support to nonindustrial private forest landowners to ensure health and productivity of Alaska forests.

(c) The mission of the statewide fire suppression in the Division of Forestry
(1) as to fire suppression, is to manage wildland fire for the safety of Alaskans
and protection of property and to maintain a healthy forest;
(2) as to pre-suppression, is to reduce human caused fires and maintain fire
fighting resources in a state of operational readiness to manage wildland fires for the safety
of the state’s forest resources and to maintain a healthy forest.

The legislature intends to measure the success of the Division of Forestry in
achieving the mission set out in (b)(1) of this section by considering

(1) the distribution and abundance of forest types and stand ages;
(2) the volume of timber offered annually, including volume of timber offered
in-state, and value-added processing;
(3) the volume of timber offered over a five-year period, by year; this measure
is a measure of stability;
(4) the percentage of harvest acres of state land meeting reforestation
requirements established by AS 41.17 or by regulations adopted under AS 41.17 (Forest
Resources and Practices Act);
(5) the volume offered and number of jobs resulting from timber sales sold
under value-added sales (AS 38.05.123).

The legislature intends to measure the success of the Division of Forestry in
achieving the mission set out in (b)(2) of this section by considering

(1) the level of compliance with best management practices, as measured by
implementation monitoring program;
(2) the continued productivity of fish habitat, as measured by effectiveness
monitoring studies;
(3) the continued protection of water quality, as measured by implementation
monitoring program;
(4) the continuation of certification for federal Clean Water Act and coastal
zone compliance in accordance with AS 41.17 or with regulations adopted under AS 41.17
(Forest Resources and Practices Act);
(5) the compliance with requirements for reforestation on private, municipal,
and non-DNR state land.

The legislature intends to measure the success of the Division of Forestry in
achieving the mission set out in (b)(3) of this section by considering
(1) the percentage of nonindustrial forest land covered by forest stewardship
plans;
(2) the percentage and number of communities with organized community
forestry activities;
(3) the equipment and amounts provided to highest priority fire departments;
(4) the percentage of total forested acres included in the annual insect and
disease report;
(g) The legislature intends to measure the success of the Division of Forestry in
achieving the mission set out in (c) of this section by considering
(1) the percentage of fires in full and critical protection categories held at less
than 10 acres;
(2) the percentage of the total cost that was used to obtain personnel and
equipment from out of state;
(3) the percentage of total fire departments with cooperative agreements
between wildland fire protection and structural protection providers;
(4) the percentage of fires that result from human actions, whether as a
function of population growth or of other causes;
(5) the extent and characteristics of damage to structures after wildland fire.

*Sec. 108. DNR - Division of Mining and Water Management.* (a) The mission of the
Division of Mining and Water Management is to facilitate the development and stewardship
of the state’s
(1) mineral and coal resources; and
(2) water resources.
(b) The legislature intends to measure the success of the Division of Mining and
Water Management in achieving the mission of the mining section with respect to
(1) public safety by considering the percentage of abandoned mines on state
land considered hazardous;
(2) rights and development by considering the number of
(A) new leases and claims compared to the total number of leases and
claims;
(B) closed leases and claims compared to the total number of leases and claims; and

(C) federal claims compared to the total number of leases and claims;

(3) permitting by considering the

(A) adverse audit findings compared to total audit findings;
(B) dollar value and number of jobs associated with mineral exploration, development, and mine operations, by commodity, over time;
(C) number of active mines over time;
(D) dollar value and number of mineral exploration credits over time;

and

(E) aged rentals and royalties received by commodity over time; and

(4) compliance by considering the

(A) percentage of active mines without violations;
(B) acres reclaimed compared to acres designated for reclamation (activity measure); and

(C) number and type of permit violations.

(c) The legislature intends to measure the success of the Division of Mining and Water Management in achieving the mission when measuring the division’s performance with respect to public safety by considering the percentage of dams inspected and found in compliance.

(d) The legislature intends to measure the success of the Division of Mining and Water Management in achieving the mission when measuring the division’s performance with respect to water rights by considering

(1) the percentage change in total inventory;
(2) the average processing time of water rights.

(e) The legislature intends to measure the success of the Division of Mining and Water Management in achieving the mission set out in (a)(2) of this section when measuring the division’s performance with respect to dam development by considering

(1) the percentage change in total inventory and use authorization;
(2) the average processing time of authorization.

(f) The legislature intends to measure the success of the Division of Mining and Water
Management in achieving the mission set out in (a)(2) of this section when measuring the
division’s performance with respect to ownership by considering
(1) water rights and authorizations with complaints compared to total water
rights and authorizations by type, such as residential, municipal, business, federal reserved
water rights, and instream flows;
(2) the percentage of resource development projects applying for water permits
receiving permits within appropriate time frame.

(g) The legislature intends to measure the success of the Division of Mining and
Water Management in achieving the mission set out in (a)(2) of this section when measuring
the division’s performance with respect to data by considering the percentage of
(1) data requests satisfied within appropriate time frame, where data is
available;
(2) times data is compatible with other users.

* Sec. 109. DNR - Division of Geological and Geophysical Surveys. The mission of the
Division of Geological and Geophysical Surveys is to determine
(1) the potential of Alaska land for production of metals, minerals, fuels, and
geothermal resources;
(2) the locations and supplies of groundwater and construction material;
(3) the potential geologic hazards to buildings, roads, bridges, and other
installations and structures.

* Sec. 110. DNR - Division of Parks and Outdoor Recreation. The mission of the
Division of Parks and Outdoor Recreation is to provide
(1) outdoor recreation opportunities and conserve and interpret natural, cultural,
and historic resources; and
(2) services designed to encourage the development of local park and
recreational facilities and programs.

Article 14. Department of Public Safety.

* Sec. 111. Department of Public Safety. The mission of the Department of Public
Safety is to ensure and maintain a safe, orderly, and positive environment in the state. This
commitment is delivered through statewide police, resource protection, emergency response,
fire safety, and other vital public safety services.
* Sec. 112. DPS - Division of Administrative Services. The mission of the Division of Public Safety's Division of Administrative Services is to provide administrative support to the department’s programs and to supply criminal justice information to all authorized agencies and other parties.

* Sec. 113. DPS - Division of Fire Prevention. The mission of the Division of Fire Prevention is to promote, regulate, and develop ways and means of protecting life and property against fire and explosion.

* Sec. 114. DPS - Highway Safety Planning Agency. The mission of the Highway Safety Planning Agency is to administer grant programs to save lives and prevent injuries on the state’s highway network.

* Sec. 115. DPS - Division of Alaska State Troopers. (a) The mission of the Division of Alaska State Troopers is to preserve the public peace and to protect life and property through the prevention of crime, detection, and apprehension of criminal offenders, and to enforce traffic laws and regulations.

(b) The legislature intends to measure the success of the Division of Alaska State Troopers in achieving its mission by considering

(1) the increase in the number of sex offender compliance actions;
(2) the increase in the percentage of seat belt use in Alaska state trooper jurisdiction;
(3) the decrease in the percentage of repeat offenders in domestic violence incidents closed by arrest in Alaska state trooper jurisdiction;
(4) the reduction in the number of village public safety officer positions in communities with a local police department;
(5) the increase in the percentage of offenses closed by arrest for crimes assigned to the criminal investigations unit;
(6) the cost for each offense assigned to narcotics task force units;
(7) the decrease in the total number of traffic accidents that occur in Alaska state trooper jurisdiction;
(8) the increase in the percentage of VPSO-investigated alcohol bootlegging and importation offenses that are closed by arrest.

* Sec. 116. DPS - Division of Fish and Wildlife Protection. The mission of the Division of Fish and Wildlife Protection is to protect the state’s fish and wildlife resources through

New Text Underlined [DELETED TEXT BRACKETED]
enforcement of laws and regulations governing the use of natural resources within the state and its adjacent waters to ensure that Alaskans can fish and hunt in perpetuity by protecting the state’s fish and game resources from criminal activity.

* Sec. 117. DPS - Alaska Police Standards Council. The mission of the Alaska Police Standards Council is to

(1) implement and enforce standards for the selection and retention of law enforcement and correctional officers; and

(2) approve and fund officer training programs.

* Sec. 118. DPS - Council on Domestic Violence and Sexual Assault. (a) The mission of the Council on Domestic Violence and Sexual Assault is to alleviate the effects and reduce the causes and incidences of domestic violence and sexual assault in the state.

(b) The legislature intends to measure the success of the Council on Domestic Violence and Sexual Assault in achieving its mission by considering

(1) the increase in the percentage of victims of domestic violence and sexual assault who seek advice;

(2) the percentage of repeat clients who return and remain at shelters for reasons other than to obtain information or receive counseling services;

(3) the increase in the percentage of repeat offenders who complete batterers’ intervention programs;

(4) the decrease in the percentage of repeat offenders in batterers’ intervention programs;

(5) the increase in the percentage of council resources that are directed to the prevention of domestic violence and sexual assault;

(6) the increase in the percentage of Alaskans participating in violence prevention education training and workshops;

(7) the increase in the percentage of school districts in the state with violence prevention and personal safety curricula.

* Sec. 119. DPS - Scientific Crime Detection Laboratory. The mission of the Scientific Crime Detection Laboratory is to provide the highest quality forensic science service to state law enforcement agencies.

* Sec. 120. DPS - Public Safety Academy. The mission of the Public Safety Academy
is to produce highly trained and motivated professional law enforcement officers who meet
or exceed the Alaska Police Standards Council requirements.

* Sec. 121. DPS - Violent Crimes Compensation Board. The mission of the Violent
Crimes Compensation Board is to decrease the financial and emotional damage to innocent
victims caused by the trauma of violent crime.

Article 15. Department of Revenue.

* Sec. 122. Department of Revenue. The mission of the Department of Revenue is to
collect, manage, invest, and distribute revenue and child support payments for the state, and
to provide necessary administrative support to entities under the aegis of the department.

* Sec. 123. DRev - Office of the Commissioner. The mission of the Office of the
Commissioner is to

(1) assist the divisions in the department in setting and reaching their goals at
the lowest possible cost and with the best service to the public;
(2) provide information and expertise as needed by the Office of the Governor,
other departments, and the legislature in managing the state’s finances;
(3) operate the hearing officer section for child support, permanent fund
dividend, and charitable gaming appeals.

* Sec. 124. DRev - Division of Administrative Services. The mission of the Division of
Administrative Services is to assist the operating divisions in the department in achieving their
stated goals in finding new and innovative ways to provide services to the public.

* Sec. 125. DRev - Oil and Gas Audit Division. The mission of the Oil and Gas Audit
Division is to equitably, efficiently, and expeditiously administer and collect production and
property taxes and royalties and to assist policymakers with oil and gas issues.

* Sec. 126. DRev - Permanent Fund Dividend Division. The mission of the Permanent
Fund Dividend Division is to ensure that eligible Alaskans receive permanent fund dividends
promptly, deny ineligible applicants, and process levies of permanent fund dividends.

* Sec. 127. DRev - Alaska Permanent Fund Corporation. The mission of the Alaska
Permanent Fund Corporation is to maximize the value of the permanent fund through prudent
long-term investment and protection of principal to produce income to benefit all generations
of Alaskans.

* Sec. 128. DRev - Treasury Division. The mission of the Treasury Division is to
prudently manage the state’s assets.

* Sec. 129. DRev - Alaska Municipal Bond Bank Authority. The mission of the Alaska Municipal Bond Bank Authority is to provide municipalities, within their capabilities to repay, cost-effective financing options for capital projects.

* Sec. 130. DRev - State Pension Investment Board. The mission of the State Pension Investment Board is to prudently manage and invest state pension funds.

* Sec. 131. DRev - Income and Excise Audit Division. The mission of the Income and Excise Audit Division is to

(1) administer the state’s tax and charitable gaming laws to collect revenue efficiently; and

(2) treat taxpayers, permittees, and licensees equitably.

* Sec. 132. DRev - Child Support Enforcement Division. (a) The mission of the Child Support Enforcement Division is to

(1) help children by establishing, modifying, and enforcing financial support obligations in a fair and equitable manner;

(2) help people use the division’s services; and

(3) promote the responsibility of parents in supporting their children.

(b) The legislature intends to measure the success of the Child Support Enforcement Division in achieving its mission by considering

(1) current collections compared to total current obligations;

(2) arrearage cases in collections compared to total arrearage cases;

(3) current collections for government (state and federal) compared to current total government obligations;

(4) government arrearage cases in collections compared to the total of government arrearage cases; and

(5) the current cases compared to total cases.

* Sec. 133. DRev - Alaska Mental Health Trust Authority. The mission of the Alaska Mental Health Trust Authority is to improve the health, safety, and economic security of Alaska Mental Health Trust beneficiaries, as well as to ensure that trust beneficiaries are productively engaged, employed, and contributing so they can live with dignity and are valued members of society.
* Sec. 134. DRev - Alaska Housing Finance Corporation. The mission of the Alaska Housing Finance Corporation is to provide Alaskans with access to safe, quality, affordable housing.

* Sec. 135. DRev - Alcohol Beverage Control Board. (a) The mission of the Alcohol Beverage Control Board is to protect the health, safety, and welfare of Alaskans by limiting the misuse of alcohol.

(b) The legislature intends to measure the success of the Alcohol Beverage Control Board in achieving its mission by considering

1. the percentage of licensees in compliance for one full year regarding serving to minors, serving to drunken persons, and server training; and
2. the percentage of servers trained in compliance for one full year.

Article 16. Department of Transportation and Public Facilities.

* Sec. 136. DOT/PF - Aviation. The mission of the Department of Transportation and Public Facilities is to plan, design, construct, and maintain all state modes of transportation and transportation facilities, and docks, floats, breakwaters, buildings, and similar facilities.

* Sec. 137. DOT/PF - Public facilities. The mission of the department with respect to public facilities is to manage, operate, and maintain state public facilities.

* Sec. 138. DOT/PF - Highway maintenance and operations. The mission of the department with respect to highway maintenance and operations is to maintain, protect, and control the state’s highway system.

* Sec. 140. DOT/PF - Equipment fleet. The mission of the department with respect to the equipment fleet is to allocate, maintain, and manage state-owned vehicles, equipment, and attachments for safe and appropriate use.

* Sec. 141. DOT/PF - Office of the Commissioner. The mission of the Office of the Commissioner is to provide executive leadership to all activities of the department and to coordinate with the executive and legislative branches of state government, other state agencies, and the federal government.
* Sec. 142. DOT/PF - Division of Administrative Services. The mission of the Division of Administrative Services is to support the department’s operations with quality administration and information technology.

* Sec. 143. DOT/PF - Division of Measurement Standards and Commercial Vehicle Enforcement. The mission of the Division of Measurement Standards and Commercial Vehicle Enforcement is to provide public protection by enforcing statutory and regulatory policies in the truck size, weight, and safety enforcement program, and the weights and measures program.

* Sec. 144. DOT/PF - Division of Statewide Design and Engineering Services. The mission of the Division of Statewide Design and Engineering Services is to provide engineering, environmental, estimating, and other preconstruction services to develop highway, aviation, marine structure, and facilities projects.

* Sec. 145. DOT/PF - Division of Statewide Planning. The mission of the Division of Statewide Planning is to develop the statewide transportation improvement program, the statewide transportation improvement plan, and regional plans through a public process that results in orderly project and capital budget sequencing and conduct highway data collection.

* Sec. 146. DOT/PF - Construction. The mission of the department with respect to construction is to administer construction projects to ensure that the projects are built safely and in conformance with all applicable laws, ordinances, and regulations.

* Sec. 147. DOT/PF - Marine Highway System. (a) The mission of the Marine Highway System is to assist in meeting the transportation needs of the traveling public and communities served.

(b) The legislature intends to measure the success of the Marine Highway System in achieving its mission by considering

1. the percentage of on-time departures of vessels;
2. the revenue received and expenditures made for each rider mile;
3. the total ridership, including passengers, vehicles, and cabin occupancy, compared to the five-year ridership average;
4. the onboard sales for each passenger.

Article 17. University of Alaska.

* Sec. 148. University of Alaska. The mission of the University of Alaska is to provide
the state’s comprehensive, public, postsecondary education system. The University system
strives for excellence as it provides instruction, research, and public service programs through
its university campuses and community-based colleges to meet the needs of Alaskans.

* Sec. 149. Immunity from Suit. The state and its agents and employees are immune
from suit that is based upon accomplishing or failing to accomplish a mission statement or
performance measure contained in this Act.

* Sec. 150. This Act takes effect July 1, 1999.
