"An Act relating to the licensing of chiropractors and to disciplinary actions against chiropractors."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 08.20 is amended by adding new sections to read:

Sec. 08.20.163. Temporary permit for locum tenens practice. (a) The board may grant a temporary permit to a chiropractor for the purpose of the chiropractor's substituting for another chiropractor licensed in this state. The permit is valid for 60 consecutive days. If circumstances warrant, an extension of the permit may be granted by the board.

(b) A chiropractor applying under (a) of this section shall pay the required fee and shall meet the

(1) requirements of AS 08.20.120; or

(2) following requirements:

(A) submit evidence of a current license in good standing,
including

(ii) not having been, within the five years preceding the date of application, the subject of an unresolved review or an adverse decision based upon a complaint, investigation, review procedure, or disciplinary proceeding undertaken by a state, territorial, local, or federal chiropractic licensing jurisdiction, chiropractic society, or law enforcement agency that relates to criminal or fraudulent activity, chiropractic malpractice, or negligent chiropractic care and that adversely reflects on the applicant’s ability or competence to engage in the practice of chiropractic or on the safety or well-being of patients; and

(iii) no conviction for a felony within the five years preceding the date of application;

(B) submit evidence of five years of active licensed clinical practice;

(C) be a graduate of a school or college of chiropractic that is accredited by or a candidate for accreditation by the Council on Chiropractic Education or a successor accrediting agency recognized by the board;

(E) have passed, to the satisfaction of the board, Parts I and II of the examination of the National Board of Chiropractic Examiners; and

(F) pass an examination given by the board.

(c) Permits and extensions of permits issued under this section to an individual are not valid for more than 240 days during any consecutive 24 months.

Sec. 08.20.165. Inactive license status. (a) A licensee who does not practice in the state may convert a license to inactive status when renewing the license. A
person who practices in the state, however infrequently, shall hold an active license.

A person renewing an inactive license shall meet the same renewal requirements that
would be applicable if the person were renewing an active license.

(b) A person who has an inactive license certificate under (a) of this section
may reactivate the license by applying for an active license and paying the required
fees.

Sec. 08.20.167. Retired license status. (a) Upon retiring from practice and
upon payment of an appropriate one-time fee, a licensee in good standing with the
board may apply for the conversion of an active or inactive license to a retired status
license. A person holding a retired status license may not practice chiropractic in the
state. A retired status license is valid for the life of the license holder and does not
require renewal. A person holding a retired status license is exempt from continuing
education requirements adopted by the board under AS 08.20.170(d).

(b) A person with a retired status license may apply for active licensure.
Before issuing an active license under this subsection, the board may require the
applicant to meet reasonable criteria, as determined under regulations of the board, that
may include submission of continuing education credits, reexamination requirements,
physical and psychiatric examination requirements, an interview with the board, and
a review of information in the national licensee database of the Federation of
Chiropractic Licensing Boards.
