(2) marijuana product manufacturing facilities;
(3) marijuana testing facilities; or
(4) retail marijuana stores.

(b) A ballot question to adopt a local option under this section must at least contain language substantially similar to the following: "Shall (name of village) adopt a local option to prohibit (specify local option under (a) of this section)? (yes or no)."

Sec. 17.38.310. Removal of local option. (a) If a majority of the voters voting on the question vote to remove the option, an established village shall remove a local option previously adopted under AS 17.38.300. The option is repealed effective the first day of the month following certification of the results of the election.

(b) A ballot question to remove a local option under this section must at least contain language substantially similar to the following: "Shall (name of village) remove the local option currently in effect, that prohibits (current local option under AS 17.38.300(a)), so that there is no longer any local option in effect? However, an applicant described in this subsection does not have a legal right to registration, and the board is not required to approve the application.

Sec. 17.38.320. Effect on registrations of prohibition of marijuana establishments. If a majority of voters vote to prohibit the operation of marijuana establishments under AS 17.38.300, the board may not issue, renew, or transfer, between persons or locations, a registration for a marijuana establishment located within the perimeter of the established village. If the established village does not have a post office, the perimeter of an established village is a circle around the established village that includes an area
within a five-mile radius of another site selected by the local governing body or by the
board if the established village does not have a local governing body.

(b) If the perimeter of an established village determined under (a) of this
section includes any area that is within the perimeter of another established village
and, if the other established village has

(1) also adopted a local option under AS 17.38.300, the local option of
the established village that is less restrictive applies in the overlapping area;

(2) not adopted a local option under AS 17.38.300, the local option
does not apply in the overlapping area.

(c) If the board determines that the perimeter of an established village as
provided under (a) and (b) of this section does not accurately reflect the perimeter of
the established village, the board may establish the perimeter of the established village
and the areas of overlapping perimeter described under (b) of this section for purposes
of applying a local option selected under this chapter.

Sec. 17.38.360. Notice of the results of a local option election. If a majority
of the voters vote to adopt or remove a local option under AS 17.38.300 or 17.38.310,
