BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1
AN ACT

Relating to real estate broker licensure; relating to the Real Estate Commission; relating to errors and omissions insurance for real estate licensees; and providing for an effective date.

* Section 1. AS 08.88.091(c) is amended to read:

(c) An applicant for licensure under AS 08.88.171(a) or (b) **shall** [MUST] complete 30 [15] hours of education approved by the commission before the person may be licensed under either of those subsections.

* Sec. 2. AS 08.88.171(a) is amended to read:

(a) A natural person qualifies for a real estate broker license if the person passes the brokers examination, applies for a license within six months after passing the examination, furnishes satisfactory proof of successful completion of the education requirements of AS 08.88.091, has had at least 36 [24] months of active and continuous experience as a real estate licensee within the 60 [36] months immediately
preceding application for the broker license, is not under indictment for or seven years
have elapsed since the person has completed a sentence imposed upon conviction of a
felony or other crime that, in the judgment of the commission, affects the person's
ability to practice as a real estate broker competently and safely or upon conviction of
forgery, theft, extortion, conspiracy to defraud creditors, or fraud, and is an owner of a
real estate business or employed as a real estate broker by a foreign or domestic
corporation, partnership, limited partnership, or limited liability company. Unless the
broker fails to satisfy the educational requirements of AS 08.88.095 or renew the
license, or the broker's license is suspended or revoked, the broker's license continues
in effect as long as the broker's license is active. If the broker stops being an owner of
a real estate business or stops being employed as a real estate broker by a foreign or
domestic corporation, partnership, limited partnership, or limited liability company,
the broker's license is suspended from the time the broker stops until the broker
satisfies the educational requirements of AS 08.88.098 and

(1) again becomes an owner of a real estate business or is again
employed as a real estate broker by a foreign or domestic corporation, partnership,
limited partnership, or limited liability company; or

(2) is employed by another broker as an associate broker, in which
case the real estate broker license shall be returned to the commission by the broker,
and the commission shall issue the broker an associate real estate broker license.

* Sec. 3. AS 08.88.171(b) is amended to read:

(b) A natural person qualifies for an associate real estate broker license if the
person passes the brokers examination, applies for the license within six months after
passing the examination, submits satisfactory proof of successful completion of the
education requirements of AS 08.88.091, has had at least 36 [24] months of active and
continuous experience as a real estate licensee within the 60 [36] months immediately
preceding application for the license, furnishes satisfactory proof that errors and
omissions insurance required under AS 08.88.172 has been obtained, is not under
indictment for or seven years have elapsed since the person has completed a sentence
imposed upon conviction of a felony or other crime that, in the judgment of the
commission, affects the person's ability to practice as an associate real estate broker
competently and safely or upon conviction of forgery, theft, extortion, conspiracy to defraud creditors, or fraud, and is employed by a licensed real estate broker as an associate real estate broker. Unless the associate broker fails to satisfy the educational requirements of AS 08.88.095 or renew the license, or the associate broker's license is suspended or revoked, the associate broker's license continues in effect as long as the associate broker is employed by a licensed real estate broker as an associate broker. If the associate broker stops being employed by a licensed real estate broker, the associate broker's license is suspended from the time the associate broker stops until the associate broker satisfies the educational requirements of AS 08.88.098 and

(1) again is employed by a real estate broker as an associate broker; or
(2) becomes an owner of a real estate business or is employed as a real estate broker by a foreign or domestic corporation, partnership, limited partnership, or limited liability company, in which case the associate broker's license shall be returned to the commission by the associate broker, and the commission shall issue the licensee a broker's license.
