A BILL

FOR AN ACT ENTITLED

"An Act relating to the fees that may be charged by a consumer credit reporting agency; relating to the placement of security freezes on credit reports and credit scores; and relating to security freezes on the credit reports or records of incapacitated persons and certain minors."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 45.48.160(a) is amended to read:

(a) Except as provided by [(b),] (c) [, OR (d)] of this section, a consumer credit reporting agency may not charge a consumer to place or remove a security freeze, to provide access under AS 45.48.130, or to take any other action, including the issuance of a personal identification number, password, or similar device under AS 45.48.120, that is related to the placement of, removal of, or allowing access to a credit report or credit score on which a security freeze has been placed.

* Sec. 2. AS 45.48.160(e) is amended to read:

(e) A consumer credit reporting agency may not charge a consumer a fee
under [(b) OR] (c) of this section if the consumer has been a victim of identity theft
and provides the consumer credit reporting agency with a complaint filed by the
consumer with a law enforcement agency.

* Sec. 3. AS 45.48.170 is amended to read:

Sec. 45.48.170. Notice of rights. When a consumer credit reporting agency is
required to give a consumer a summary of rights under 15 U.S.C. 1681g (Fair Credit
Reporting Act), a consumer credit reporting agency shall also give the consumer the
following notice:

Consumers Have the Right to Obtain a Security Freeze

You may obtain a security freeze on your credit report and
credit score without charge [FOR $5] to protect your privacy and
ensure that credit is not granted in your name without your knowledge.
[YOU MAY NOT HAVE TO PAY THE $5 CHARGE IF YOU ARE
A VICTIM OF IDENTITY THEFT.] You have a right to place a
security freeze on your credit report and credit score under state law
(AS 45.48.100 - 45.48.290).

The security freeze will prohibit a consumer credit reporting
agency from releasing your credit score and any information in your
credit report without your express authorization or approval.

The security freeze is designed to prevent credit, loans, and
other services from being approved in your name without your consent.
However, you should be aware that using a security freeze to take
control over who gets access to the personal and financial information
in your credit report and credit score may delay, interfere with, or
prohibit the timely approval of any subsequent request or application
you make regarding a new loan, credit, a mortgage, a governmental
service, a governmental payment, a cellular telephone, a utility, an
Internet credit card application, an extension of credit at point of sale,
and other items and services.

When you place a security freeze on your credit report and
credit score, within 10 business days, you will be provided a personal
identification number, password, or similar device to use if you choose
to remove the freeze on your credit report and credit score or to
temporarily authorize the release of your credit report and credit score
to a specific third party or specific third parties or for a specific period
of time after the freeze is in place. To provide that authorization, you
must contact the consumer credit reporting agency and provide all of
the following:

(1) proper identification to verify your identity;
(2) the personal identification number, password, or
similar device provided by the consumer credit reporting agency;
(3) proper information necessary to identify the third
party or third parties who are authorized to receive the credit report and
credit score or the specific period of time for which the credit report
and credit score are to be available to third parties.

A consumer credit reporting agency that receives your request
to temporarily lift a freeze on a credit report and credit score is required
to comply with the request within 15 minutes, except after normal
business hours and under certain other conditions, after receiving your
request if you make the request by telephone, or an electronic method if
the agency provides an electronic method, or within three business days
after receiving your request if you make the request by mail. The
consumer credit reporting agency may charge you $2 to temporarily lift
the freeze. **You may not have to pay the $2 charge if you are a victim of identity theft.**

A security freeze does not apply to circumstances where you
have an existing account relationship and a copy of your credit report
and credit score are requested by your existing creditor or its agents or
affiliates for certain types of account review, collection, fraud control,
or similar activities.

If you are actively seeking credit, you should understand that
the procedures involved in lifting a security freeze may slow your own
applications for credit. You should plan ahead and lift a freeze, either
completely if you are shopping around, or specifically for a certain
creditor, days before applying for new credit.

You have a right to bring a civil action against someone who
violates your rights under these laws on security freezes. The action can
be brought against a consumer credit reporting agency.

* Sec. 4. AS 45.48.220 is repealed and reenacted to read:

referred to in AS 45.48.390, the provisions of AS 45.48.100 - 45.48.290 do not apply
