FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION**Analysis**

This legislation makes a number of technical changes to the criminal code after the passage of SB 91:

- It removes the inflation adjustment for class B felony property offenses, resulting in a consistent \$25,000 threshold for those offenses.
- The legislation also makes a number of language changes in the Suspended Entry of Judgment (SEJ) statute (AS 12.55.078) clarifying that defendants charged with certain offenses are not eligible to receive an SEJ.
- SB 55 also clarifies probation lengths for unclassified felonies that are not sex offenses.

The Department of Law does not anticipate a fiscal impact from this legislation.
