If yes, by what date are the regulations to be adopted, amended or repealed? 07/01/20

Why this fiscal note differs from previous version/comments:
This legislation was amended on the House floor. The extension date is now through November 15, 2020. Language relating to elections was amended to remove the provision for consultation with the commissioner of health and social services prior to determining if the state primary or statewide special election would be held by mail in calendar year 2020. The legislation now provides that for the duration of the emergency disaster, all elections may be conducted by mail.

Prepared By: Gail Fenumiai, Director
Division: Division of Elections
Approved By: Shawn Henderson, Administrative Director
Agency: Office of the Governor

Printed 4/7/2020
Control Code: CKccV
Passage of this legislation would have not have any additional fiscal impact on the division related to conducting the primary, Regional Educational Attendance Area (REAA) and general elections. The division receives an appropriation to conduct the primary, REAA and general elections. This appropriation will be used to cover costs, if needed, of conducting these elections by mail.

There would be costs associated with conducted a statewide special election. It is assumed the funding required to conduct such election would be handled in other legislation.

This legislation provides authorization for the division to promulgate emergency regulations, if needed, to implement by mail voting at the statewide level. The division anticipates needing the regulations in effect by 7/1/2020.
