FISCAL NOTE #2

STATE OF ALASKA
2011 LEGISLATIVE SESSION

BILL NO. SB 42

Analysis

This bill empowers the Alaska Energy Authority (AEA) to hire employees. Currently AIDEA absorbs 100% of the facility operating costs. This fiscal note estimates the impact to AIDEA if AEA reimbursed AIDEA for their pro-rata share of the facility operating costs based on PCN count.

Facility Operating Cost = \$3.4 per PCN per year x 42 employees = \$142.8.

There is no net impact to the expenditure line as actual building costs remain the same. Increase in I/A receipts reduces AIDEA receipts in this component. AIDEA receipt authority is transferred to the AIDEA operations component.

See related fiscal notes for both AIDEA and AEA Statewide Project Development components for the full impact of this legislation.
