Re: Senate Bill 224

Dear Senator Egan:

On behalf of NEA-Alaska, I wish to express our support for Senate Bill 224, which makes privileged certain communications between employees and employee union representatives. It is important that members feel the conversations they have with their union representatives remain confidential. When members have the confidence to speak openly with union representatives, NEA-Alaska is better able to advocate for its members.

I thank you and the Senate Labor and Commerce committee for introducing and hearing this important legislation.

Sincerely,

Barb Angaiak
President
