Dear Mr. Maasen,

I recently received a newsletter from Alaska State Senator Cathy Giessel. It contained information regarding a search for the Ethics Committee Public Member Vacancy. I am interested in serving on this committee. I have included my resume with this letter. My political affiliation is independent.

Please contact me if there is interest in my involvement on this committee.

Sincerely,

Carl Symons White

LEADERSHIP EXPERIENCE

Special Projects for Bering Strait School District

As Special Assistant to the Superintendent I provided support for the Superintendent. Responsibilities included providing educational support for the 15 village schools. I offered teacher and administrative mentoring. Initially, I started the Office of Truancy Support where I was the liaison between the site administrators and the Alaska court. I researched and developed a Dropout Early Warning Prevention tool to identify at-risk students. I was one of the authors and the administrator of several educational grants. I supervised the Counseling Department where I provided support to our counselors. I coordinated our Youth Leaders Program, which provides suicide awareness and prevention training for our students, teachers and communities. I participated and represented BSSD in many regional meetings and the district's job recruitment team. Since retirement I have served as a temporary school principal and coordinated new teacher support for teachers from the Philippines who were hired under the J-1 teacher program.

Student Services

I coordinated and facilitated the Bering Strait Youth Leaders program that trains students in suicide awareness and prevention. I developed and supervised numerous student travel trips. Most recently I develop a College Preregistration Trip for students who have applied to the University of Alaska, Anchorage or the University of Alaska, Fairbanks. I also developed and supervised a Washington, D.C. study-travel program for 27 students and 6 adults. I was a college recruiter.

Crisis Intervention & Prevention

I facilitate Crisis Intervention & Prevention trainings for staff members. I have done this for four years.

Curriculum Development at State and Local Levels

I facilitated the Language Arts and Mathematics adoption for the Bering Strait School District and Nome Public Schools. I assisted the Idaho State Department of Education to write the Power Standards for K-12 Social Studies.

Grant Writing

I have been successful at writing several grants that address the following educational challenges: Dropout Prevention; Suicide Awareness, Social and Emotional Learning. I was also a Macintosh Computer Loaner Lab Grant recipient.

Title 1

I have eighteen years of administrative experience in Title 1 schools. I assisted in the development of the Parent Education component and presented workshops specific to child behavior and learning.

Building Remodel & Start Up

I coordinated and facilitated a yearlong building renovation with staff and the district construction team. I have experience creating a school from the beginning.

Environmental Education

I coordinated many outdoor education experiences throughout my career. I have served in official capacities with the Idaho Forest Products Commission, Idaho Environmental Education Association and a facilitator with the Intermountain Environmental Education Team. I served as a district's outdoor education coordinator and liaison.

EDUCATIONAL AND RELATED EXPERIENCES

National Assessment of Educational Progress (NAEP) 2021-2022
During November 2021-March 2022 I was an Administrative Coordinator with NAEP. I was responsible for assessing 4th and 8th grade students in math or reading. Primarily, I coordinated assessments at schools in the Anchorage School District. I also assessed students in Koyukon, Alaska.

Alaska Area Health Education Center (AHEC) 2019-2020
I was the Northwest Alaska AHEC director. This job was a joint partnership between Northwest Career and Technical Center (NACTEC) and the University of Alaska, Anchorage. This was a temporary position from the beginning...my choice. My responsibilities included being the director, exploring the coordinated responsibilities and opportunities of AHEC and training my replacement once he was hired.

Project CREATE Advisory Board Member 2013-2015
Southeast Regional Resource Center (SERRC)
Anchorage, Alaska
Helped to establish the importance of cultural proficiency in improving students' academic and behavioral outcomes.

Facilitator 1995-2004
Intermountain Environmental Education Team
University of Idaho
Moscow, Idaho
I was part of a team that facilitated hands-on science questioning and Team building strategy sessions for the summer field campus at McCall, Idaho.

Higher Education Counselor 1986-1987
Education Connection (Private Consulting Work)
Fairbanks, Alaska
Provided financial, educational & counseling support to Kuspuk School District graduates who were attending Alaska universities.

Educational Researcher 1987-1988
Contra Costa County Office of Education
Pleasant Hill, California
I researched the latest ideas in curriculum and developed informational packets for teachers and administrators in Contra Costa County, California.

Writing Instructor 1986 (summer)
Rural Alaska Honors Institute (RAHI)
University of Alaska, Fairbanks
Fairbanks, Alaska
I provided intensive academic preparation for students who had completed their junior year in a rural Alaska high school in this summer program.

Teacher

1982-1986

Gusty Michael School, Stony River, Alaska
George Willis, Sr. School, Red Devil, Alaska
Kuspuk School District
Aniak, Alaska

I taught numerous subjects in all grades in this K-12 school, including reading, math, social sciences, outdoor/cultural education, music, typing, health and P.E. I also coached cross-country running, skiing and Future Problem Solving Bowl teams.

College Recruiter

1980

Kuskokwim Community College
Bethel, Alaska

I traveled to local villages in the Yukon-Kuskokwim as a recruiter. I provided career and financial aid counseling.

News Reporter
