**Analysis**

SB 211 allows Peace officer/Firefighter members of the Public Employees' Retirement System (PERS) to use military service claimed under AS 39.35.340 to be used towards their eligibility retiree medical coverage with system paid premiums. Peace officer/Firefighter members who elect to use claimed military service for this purpose will pay the PERS the full actuarial cost to do so resulting in no cost impact to the PERS. The Division of Retirement and Benefits therefore submits a zero fiscal note.
