**Subject: Introducing Asterlogic - Servicing to Title & Abstract Companies**

Hello Roger,

I have got your contact information from your website. Trust all is well. I am writing this to introduce Aster Logic, Inc.

Aster Logic is based out of Bangalore, India and having the customer support office in Chicago, IL. We offer professional business process outsourcing services to Title and Abstract companies in the United States. We are backed by a strong leadership having tons of domain expertise and cutting edge technology that helps us provide great services to our customers. Our comprehensive services, Six Sigma governed quality and focused customer approach enables our customers to be more productive and leaner thereby creating a sustainable competitive advantage in the long run.

One stop shop. We handle end to end solutions to all the Title Organization needs.

**We are specialized in process reengineering, automation & process improvements.**

Services: AsterLogic has dedicated Title insurance domain experts who have niche focus on the Title insurance services. We offer Title services to our valued customers

- Preliminary / Commitment Reports / Report Keying / HUD1 preparation
- Trustee Sale Guarantee
- Abstract Keying
- Tax Search
- Title Plant Building
- Legal Indexing / Title Indexing
- Escrow Services and all other title related processes

AsterLogic is positioned to offer twin benefits of cost and quality. **We assure 50-60% cost savings with a guarantee to increase revenue and to keep it a constant.**

Please let me know of a convenient time to schedule a 30 min call to understand your needs and align our services for your needs. Visit us at [www.asterlogic.com](http://www.asterlogic.com) We are just a call away, below is our contact information.
