To whom it may concern:

I am the long-time owner operator of Family Medical Center in Delta Junction, and I am writing to express my full support of Representative Herron's HB 78 Incentives for Certain Medical Providers.

Family Medical Center is one of the many facilities servicing rural communities that would greatly benefit from this measure. Recruitment and retention is one of the paramount hurdles in providing consistent quality care in rural Alaska.

I urge you to move forward on the approval of HB 78 Incentives for Certain Medical Providers.

Sincerely,
