Please enter into the record my testimony to the SB 15 (Sen. Judiciary)
Committee name

Committee on _____, dated 03 April 2017
Bill/Subject

Teens are now using ENDS (electronic nicotine delivery devices) at 18% in MSBSD. Our smoking rate has stalled at 11%, but as more kids become addicted to nicotine by use of e-cigs and vaping, MANY become dual users. FDA inspects with youth only to age 17 and 9 months, leaving a big gap in undercover buys. Kids are getting e-cigs from shops, even if they are "signed" correctly. Please help our youth make the smart choice the legal choice.
