Re: Summary of changes to HB 32 by proposed CS HB 32 (L&C)

Three changes were made to House Bill 32 in the House Labor and Commerce Committee:

- Throughout the bill the term “lines of business” has been replaced with “trades, services, professions, or activities.”
- Section 3. AS 43.70.030 has been replaced to limit changes made at the discretion of the licensee to 30 days after issuance of the license. Changes due to errors by the department may be made at any time the license is valid.
- The title has been changed to reflect changes made in Section 3. In the title “correct a mistake on the license” has been replaced with “make a change on a license.”
