Subject: Support for SB 176

Hello Senator Coghill,

I just wanted to contact you with my support for SB 176, and to thank you for introducing this bill. As an employee of the University (UAF), it has long been an issue for myself and others that responsible firearms owners are prohibited from exercising their rights on campus, be they students or staff, and the introduction of this bill is a great step forward.

Thank you for your continued work on this issue and I look forward to seeing its progress.
