Subject: A Personal Thanks regarding SB 176

Dear Senator,

I am a student at UAA, and also a young libertarian beginning to take a greater part in politics in the state of Alaska. As an advocate for arm ownership, I would like to thank you personally for introducing Act 176, to push for the allowance of firearms and knives in accordance with state law on campus. I am sure I speak for many other young people as well in the University. I am also curious how I and/or anyone else who supports this measure might be able to become more involved in the process.

Thank you for your time, Sir!
