Dear Senator Coghill,

My thanks to you for standing up for our constitutional rights. So many politicians have conveniently forgot them. I must say it was very refreshing to read your bill. I believe our rights should be protected whether or not you choose to exercise them. It takes courage to stand up on such controversial issues and that is the type of courage it takes to run our government. For that reason, I will vote for you for any office you choose to run for and I will encourage family, friends, acquaintances and colleagues to do the same. Keep up the good work and thank you so much.

I believe that our elected officials should know when they are doing a great job, not just when they are failing. You, sir, are doing fantastic! Again, my thanks.
