Subject: Concealed Carry on Campus

Greeting Senator,

My name is Ian Tompkins and I am a student at UAA. I am also a supporter of 2nd Amendment rights and responsible firearm ownership. I am of course very interested in your recent work to possibly allow ccw on campus after seeing the article in the Anchorage Daily News. I am thankful that we have someone like you in office who will challenge these free fire killing zones as exemplified by VA Tech, the Navy shipyard, and others. I have my doubts about the reliability of UAA President Gamble's opinion when he suggested that this bill would lead to "students or professors carrying weapons like Bushmaster semi-automatics around campus." I hope the message that our constitutional rights extend everywhere we go does not fall on dead ears.

Respectfully,

-Ian Tompkins, Eagle River
