Dear Senator Coghill,

I oppose the proposed bill to carry firearms on campus. You stated the other day that this was about safety and the rights of the individual and their 2nd amendment. It is about safety, but the safety of the majority will be put to risk. I agree with Mr. Gamble's statements regarding the overall safety of non-students as well as everyone else on campus. This is another one of the legislature's proposals in search of a problem. This bill is a bad idea that is going to get an innocent person(s) killed. Thank you.
