who may have no way to supplement current income or cut costs. Current law provides sufficient fiscal protection without legislative repeal of the program: Cash assistance provided under the Alaska Senior Benefits Payment Program is explicitly subject to appropriation under AS 47.45.302(c). Energy

- ✓ **Natural Gas:** Support legislation that promotes natural gas development in the Cook Inlet, and modernizes aging Railbelt electrical transmission facilities.
- ✓ **Oil Production:** The MOA strongly supports all efforts to maximize oil production to maintain Trans Alaska Pipeline Service (TAPS) viability; and encourages a competitive analysis be performed to address the existing regulatory and fiscal framework to identify whether Alaska is globally positioned to attract maximum development.

Private Sector Development

- 
- ✓ **Film Credits:** Because of the proven economic benefits that film production is providing Alaskan communities, MOA supports extension of the Alaska Film Production Incentive Program and full funding of the transferable film production tax credits for Alaska corporations.
 - ✓ **Little Davis Bacon:** Consistent with the Alaska Municipal League priority, the MOA supports raising the limit from \$2,000 to \$50,000 on Little Davis Bacon projects.

Public Safety

- ✓ **Drug Legislation:** The MOA has identified the need for strong legislation that criminalizes the use of Tetrahydrocannabinol (THC) mimicking drugs or synthetic marijuana products, to include the incense commonly sold as "Spike", "Spice" or "K2."
- ✓ **Involuntary Commitment:** Amend AS 47.27.190 on Involuntary Commitment, Section (a) by adding language to make the statute more consistent with AS 47.37.180 on Emergency Commitment.
- ✓ **Prosecution Surcharge:** Under the philosophy that cost-causers should be cost-payers, add a surcharge for prosecution similar to that for law enforcement to allow law departments to capture at least a portion of the funds expended in the interest of public safety. Under AS 12.55.039, a surcharge is assessed to defendants in the amount of \$75, \$50, or \$10, depending on the type of offense.
- ✓ **Indigent Defense Fee:** Make the indigent defense fee assessed to defendants post-conviction or plea a mandatory, not discretionary, fee to allow local jurisdictions to capture at least a portion of the funds expended.
