**RE:** Audit Contract Approval Request

---

We are requesting the Committee consider and approve our request to solicit and award a contract for general audit services in support of the statewide single audit for an amount not to exceed \$150,000. The Division of Legislative Audit is interested in hiring contract auditors to work under our supervision in support of the FY 15 statewide single audit. This contract will help our agency cope with audit vacancies and control workload. There is current budget available to support this request.

I would appreciate your support of this request. If you have any questions, please contact me at 465-3830.
