HB 91\Ver. A **SPONSOR STATEMENT**

"An Act relating to deduction of labor or employee organization dues or services fees from the pay of certain public employees; and providing for an effective date"

HB91 modifies a few provisions governing the authorization of the deduction of moneys from the paychecks of public employees for the benefit of public labor organizations to bring the State in line with Janus v. AFSCME.

HB91 would implement a process to ensure that an employee's consent to payroll deduction for union dues and fees is knowing, intelligent and voluntary. It provides an employee a regular opt-in period to provide their consent to waive their First Amendment Rights. Consent renewed on an annual basis would ensure that consents do not become stale and promotes administrative and employee convenience.
