Senate Bill 94 Sponsor Statement

Senate Bill 94 would add a second verse to The Alaska's Flag Song. The late Carol Beery Davis wrote a beautiful second verse, which gives recognition to Alaska Natives and to Benny Benson, who designed the Alaskan flag.

Similar bills have been introduced in the past. Last year The Alaska's Flag Song was performed with both verses as the Senate gaveled in on the first day of session. Also last year, the Senator from District G introduced SB 43. It passed the Senate, but stalled in the House.

This year is the year to join me in supporting a long overdue addition of the second verse to the Alaska Flag Song. By passing this bill you will be recognizing history, our progress as a state and our first people.
