Re: SB 73

From: Beth Brewington

To Whom it May Concern;

I am writing to you in support of SB 73. As a business owner in the cannabis industry I fully support reducing the excise tax on transferred marijuana from Cultivators. It is crippling the smaller industry businesses with an excessively large tax burden which at some point cannot be sustainable by many.

Thank you for your time and attention.

Sincerely,

Beth Brewington, Owner-Admin
