Reference: HB170 "An Act relating to municipal property tax exemptions on residences of certain volunteer emergency services personnel and the widows and widowers of volunteer emergency services personnel; and providing for an effective date."

Dear Representative Feige,

The Alaska Fire Chiefs Association supports your efforts, with the introduction of HB170, in realizing the value and rewarding the services that Volunteer Fire and EMS responders give to the communities.

HB170 provides an incentive for those responders who give to their neighbors countless hours training and responding to emergencies without compensation. We look forward to working with you and the other sponsors of HB170.

Sincerely,
